

Accessing your horses results

The below screen shot shows what your main page will look like when you login.

Click on the heading “**View your horse details**”.

The screenshot shows the Equestrian Sports NZ Member Portal. At the top left is the logo for EQUESTRIANSPORTS NEW ZEALAND. A navigation bar contains links for Home, Events, Personal, Memberships, Horses, Courses, and Shop. The main content area is titled "Equestrian Sports NZ - Member Portal" and includes a welcome message. Below the message are seven circular icons with corresponding text links: "View your results", "Update your contact details", "View your member registrations", "Purchase ESNZ products online", "View your horse details", "View other riders profiles", and "View other horse profiles". At the bottom, there is a section titled "Over the next 12 months we hope to provide you with further functionality including:" followed by a list of three items: "online horse and rider registrations and renewals", "ability to print horse and rider entry forms", and "rider and discipline forums".

The below screen will then appear. This page lists all the horses that you have registered with ESNZ. By clicking on the **name of the horse** you can view the horse's details.

The screenshot shows the "My Horse List" page. It features a table with the following data:
