Amateur Rider Classification Review

The proposal was widely accepted by delegates on a trial basis for the 21/22 season to be reviewed and any changes considered necessary made prior to implementing into the rule book for the 21/22 season.

Background

For the last two years (2020 & 2021) it was raised at the North Island Riders meeting that the Amateur classification system has not been working as intended. This was raised again at the 2021 Planning meeting and agreed that a subcommittee be established to review the current system and explore the possibility of a new system that will better meet the needs of our riders especially those new to our sport and those moving up a level for the first time.

Section Classification for Graded Classes

Each level of graded competition e.g., Preliminary, Novice etc. up to Advanced Medium is divided into three sections: Bronze, Silver and Gold.

The section which a member may enter is determined by the rider experience AND the combination experience at each level of competition, whether on a horse or pony.

Each level can run as one class with all riders being judged by the same judge. In this case at the end of the class the results of the class are divided into the different sections.

Alternatively, if the numbers allow sections may be run as separate classes at that level.

- Bronze sections are for less experienced combinations who have just started competing at a given level so that they can compete against those with a similar ability.
- Silver sections are designed for those combinations that show more ability at a level and have demonstrated that they are no longer beginner at that level.
- Gold sections are open to riders who do not qualify for Bronze or Silver

Guidelines

- Applies to graded competitions only
- Does not include musical scores in determining section eligibility
- Section eligibility is as ~~at close of entries~~ **evening prior to start of event (updated 26/8/21)**
- No restrictions on riding downgraded horses
- There is no expectation or requirement that an event uses this classification system, nor do they have to use all three sections if it is chosen to be used. For example, an event may choose to run a bronze section and all gold and silver are run as open.
- Sections do not have to be run as separate classes but can be run as one class with extra awards for silver and bronze riders.
- There is no expectation that Premier League shows provide separate championships for silver and bronze riders especially if the level is being run as one class.
- To check your horses and rider results history, go to ESNZ website or EvoEvents

Youth Advocacy

The committee applauded the work done by the Young Rider Panel and the structure and formation of a Youth Advocacy Group for dressage is to be finalized and implemented following consultation between the Dressage Board and the young riders.

Why?

- So many young riders have awesome ideas
- To remove stigma
- Create a safe space
- To bridge the gap between youth and the DNZ committee & board
- To connect young riders who are interested in dressage and to inform young riders
