

**Application to ESNZ Jumping Board requesting permission to compete in 5,6,7-year-old Breeding Series with incomplete breeding record.**

**5,6,7-Year-Old Breeding Series Conditions:**

- 1.1. *The person responsible for a horse taking part in the Series must be able to **produce proof of age from the breeder or a veterinarian**. In case of discrepancy, the breeder's information will be definitive.*
- 1.2. *The ESNZ identification Papers ("IP") must be completed and the breeding must be completed with **Sire, Dam and Sire of Dam** as a minimum Any exceptions to this rule will only be made in a written application to ESNZ giving a full reason for the inability to establish the breeding. No reason needs to be given by ESNZ for declining to give permission for horses not having proof of breeding taking part in the Series.*

---

I hereby apply to the Jumping Board for dispensation from the above ruling on the grounds outlined below.

I acknowledge the Board may or may not choose to grant dispensation and no reasons need to be given for refusal to give permission.
