The BOP Show Hunter Summer with the **ESNZ concussion policy**. Riders who have a suspected concussion will be removed from the event. Riders who are concussed are often unaware of their symptoms and may want to continue riding. The Ground Jury at the event takes responsibility for the rider's wellbeing, assesses the rider and make an informed choice about whether the rider should continue to ride or not - if any doubt the rider must be removed from the event as per the Blue Card process (outlined below).

Blue Card process:

ESNZ's Blue Card process has been developed to keep riders safe and to support officials in their duty of care:

- Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion
- If a rider issued with a Blue Card at an event refuses to withdraw from the event, this may result in disciplinary action taken through the disciplinary process set out in the ESNZ general regulations
- The Blue Card notice is logged on a rider's profile on ESNZ's database
- A Blue Card means that a rider is stood down from all riding activities until clearance from a registered GP or registered medical specialist can be obtained
- If a rider who has been issued with a Blue Card competes without first providing medical clearance, this may result in disciplinary action taken through the ESNZ disciplinary process set out in the ESNZ general regulations.
