### Blue Card process:

ESNZ's Blue Card process has been developed to keep riders safe and to support officials in their duty of care:

- Officials can exclude a rider from participating in a competition or entire event by issuing a Blue Card because the rider has received a serious injury, including concussion or suspected concussion
- If a rider issued with a Blue Card at an event refuses to withdraw from the event, this may result in disciplinary action taken through the disciplinary process set out in the ESNZ general regulations
- The Blue Card notice is logged on a rider's profile on ESNZ's database
- A Blue Card means that a rider is stood down from all riding activities until clearance from a registered GP or registered medical specialist can be obtained
- If a rider who has been issued with a Blue Card competes without first providing medical clearance, this may result in disciplinary action taken through the ESNZ disciplinary process set out in the ESNZ general regulations.
