Rule Changes

TC -Heidi has suggested several to align with FEI. The consensus was that we should be encouraging opportunities for CEN riders and not make them adhere to FEI qualifications. One at each distance hasn't been an issue.

Unanimous agreement for under 14's not to have to weigh in combined classes.

Request from DRNZ to allow any ride after registering to count was thought only driven by one or two riders at most. Ask DRNZ to make message clearer from their end. Their riders already have more options than our own.

CTR

Line up stand downs with Endurance - agreed

Teams' competition (administration only to be ratified at AGM)

Concept of changing to RTT type competition was thought to have been OC driven rather than competitor. None of the bigger CTR clubs have requested. OK to bring up at CTR AGM as discussion.
