None

**6. Chair's Report**

Andrea explained that it is a goal to increase numbers in CTR and to encourage riders to move up within CTR and possibly on to Endurance. It's an important role of the Committee to ensure the transition across both disciplines is easy. She made note that it's important to remember that CTR is its own competition with riders who will only do CTR. Hopefully we see some good numbers post-Covid and at the upcoming Winter Series rides.

**7. Election of CTR Committee**

No written nominations were received. The following members were elected to the CTR Committee:

Andrea Rigby	nominated by Susie Latta	seconded by Rena Johnsen
Rena Johnsen	nominated by Petria Haigh	seconded by Marga Marshall

Heidi Bulfin nominated by Sue Reid  
Jane Ferguson nominated by Jo Foster

seconded by Sue Biligheimer  
seconded by Daryl Owen

#### **8. General Business**

Daryl asked if CTR kilometres can count towards lifetime endurance kilometres. Heidi responded that as CTR has its own kilometre calculations, a cross over would not be possible. Daryl wanted to know if there could be a combined tally.

The question was also asked if 40km and longer CTR rides can count towards Open horse status and possibly FEI status. The TD would have gone through the same qualifying procedure and vets must be registered.

The CTR Committee will put something forward to the Endurance Board for this to look at.

#### **9. Close of Meeting**

With no further comments or business to discuss, Andrea thanked everyone for attending and closed the meeting at 12:00pm
