

Carter's Tyres service and Equestrian Sport New Zealand have joined forces to provide our Membership with a **25%** discount off all passenger vehicle tyres and **5%** off all truck tyres. We know that this offer will help reduce some of your costs as you are out and about training or competing over the season.

To receive this discount, you simply need to provide your ESNZ Membership Number.

ABOUT CARTER'S TYRES

Carter's Tyre Service was established over 35 years ago and we've since grown to become the best specialist tyre business in the country with over 45 stores nationwide.

We regularly outperform the big brand names by offering great value and excellent service to the general public – and world-leading innovation on comprehensive tyre management solutions for small to large scale fleets, OTR and agribusiness.

We're also big believers in sustainability and giving back to communities.
