I would like to extend an invitation to everyone & anybody to attend this course. It will be a brilliant opportunity to improve your understanding of the Sport of Endurance & CTR and will give you the chance to increase your level of participation. Without our officials & volunteers the sport would not exist.

OPEN TO:

- ❖ Current National Judges, Technical Delegates, Stewards & those needing to complete another course to remain current.
- ❖ Prospective National Judges, Technical Delegates, Stewards keen to become part of the endurance family.
- ❖ Volunteers & helpers ready to step up another level or those keen to become involved even if a “newbie” to the sport.
- ❖ Riders, crews & families who want to gain another or new perspective of the sport which they enjoy so much.

Please can you register your attendance by the 15 July so I can prepare the required paperwork for you all.

It will be a very participative course. We will be looking at case studies, answering questions and each of you will be given a topic that you must research and present during the allocated time. Presentations should not be longer than 5 minutes each.

Thank you and we look forward to greeting you all at the course. Every club struggle to find officials for their events so now is a good time to step up & do your bit for the sport.
