You can have a <b>maximum of 100 people</b>. For example, if your facility is 90m<sup>2</sup> you can have 90 people.</p> <p>The capacity limits include children under 12. Children under the age of 12 who cannot be vaccinated are treated as if they have a vaccine pass.</p> <p>The capacity limit excludes workers.</p> <p>Multiple gatherings can still be hosted at one venue however each gathering needs to take place in a defined space. Outdoors this means that each gathering should remain at least 2 metres apart at all times. Indoors gatherings must be separated by walls and cannot share direct airflow.</p> | <b>Where no vaccine passes checked</b> | <p>If vaccine passes are not checked, or not everyone you are with is vaccinated, then the capacity limit is determined by the size of the facility. You can have a <b>maximum of 25 people</b> allowing for 1m<sup>2</sup> of space per person. For example, if your space is 20m<sup>2</sup> you can have 20 people.</p> <p>This capacity limit includes children.
