Accommodation options

The Narrows Landing has 12 two person rooms available and one larger apartment style unit with three bedrooms. Please get in touch with the Narrows Landing to book these, first in first served. The venue has told us we will get a good price on the rooms as we're holding an event with them so let them know you're with Eventing New Zealand when you book.

There are a number of other B&B's and motels near the venue, or alternatively you could travel to either Cambridge or Hamilton towns as the venue is half way between both.
