GUIDELINES FOR STABLING AND YARDING

Alert Level 2	Range of Government Measures <i>(can be applied locally or nationally)</i>	Equestrian Sports NZ Recommendations for Area Groups/Clubs
<p>Reduce</p> <p>The disease is contained, but the risk of community transmission remains.</p> <p>Risk Assessment</p> <ul style="list-style-type: none"> Household transmission could be occurring. Single or isolated cluster outbreaks. 	<ul style="list-style-type: none"> People can reconnect with friends and family, go shopping, or travel domestically, but should follow public health guidance. Physical distancing of two metres from people you don't know when out in public is recommended, with one metre physical distancing in controlled environments like workplaces, unless other measures are in place. No more than 10 people at gatherings (to be reviewed 25 May), except funerals and tangihanga, which can have a maximum of 50 people if registered with Ministry of Health. Sport and recreation activities are allowed, subject to conditions on gatherings and contact tracing requirements, and – where practical – physical distancing. Public venues (museums, libraries, etc.) can open but must comply with public health measures. Gatherings rules do not apply to public venues as long as people are not intermingling Health and disability care services operate as normally as possible. Most businesses can open to the public, but must follow public health guidance including in relation to physical distancing and contact tracing. Alternative ways of working encouraged where possible (e.g. remote working, shift-based working, physical distancing, staggering meal breaks, flexible leave). It is safe to send your children to schools, early learning services and tertiary education. There will be appropriate measures in place. People at higher-risk of severe illness from COVID-19 (e.g. those with underlying medical conditions, especially if not well-controlled, and seniors) are encouraged to take additional precautions when leaving home. They may work, if they agree with their employer that they can do so safely. 	<ul style="list-style-type: none"> Create social distancing in stable and yard blocks, and portable yards where possible At least a 2 metre distance between trucks and portable yards, so there is room for people to be passing each other safely when walking between the yards. Allocate stables so that known associates are together – from same stable, friends travelled on same truck, associate together at home. Create gaps between groups of allocated stables. Provide plenty of washdown and water sources. Signage to discourage congregating at washdown bays. Text allocated stable/yard details to competitors before show. Thorough cleaning between events. Display Covid hygiene notice in stabling area. People are encouraged to bring their own wheelbarrow/bucket or the like and utensils so that sharing is not needed. Provide handwashing stations in stabling area close to where common equipment is used – e.g. wheelbarrows, shovels etc
