

ABOVE & BEYOND

NEW!! Land Rover Jumping Challenge Series

Competition Conditions

Teams of 4 combinations, which can be any combination of ponies and/or horses. This series is based on results from Jumping and Show Hunter, and riders may compete in Jumping and/or Show Hunter competitions. Refer to Prizes and Points Calculation below for further detail on scoring.

Teams organise and register themselves and may include combinations from any or several ESNZ areas within the team. All members and horses/ponies must have current ESNZ membership, Equine registration, and Jumping Discipline Annual start.

Eligible pony combinations to be competing at 1.00m or less at an ESNZ show for this series. Once they compete above 1m in this season any further scores will no longer count towards the Land Rover Jumping Challenge team score.

Eligible horse combinations to be competing at 1.10m or less at an ESNZ show for this series. Once they compete above 1.10m any further scores will no longer count towards the team score.

Combinations and teams remain the same throughout the competition, no swapping during the season.

Entries:

Entry Fee \$25 per combination to be paid at time of entry.

Entries will open on 31 August and remain open unless numbers become too large, at which point ESNZ Jumping reserves the right to close entries.

Teams will be eligible for points from qualifying events as identified on the dates card and show schedules from the time the team entry is completed, including payment of entry fee. One person to enter the team.

Prizes

The winning team for the series to receive \$1,000 prize money, rugs and rosettes.

Points Calculation for Series

The winning team will be that with the best score at the end of the series based on:

- Best 5 results from each team rider, then next best 20 results from the combined team.

- Placings 1st – 6th will be awarded points for LRJC team riders in qualifying classes.

1st= 10, 2nd= 8, 3rd= 6, 4th=4, 5th= 2, 6th= 1 points.

Show Hunter scores to be 66% and above to be awarded points.

Organising Committees

20 ESNZ Areas – each area to host one competition per area within a current show from the Official Dates Calendar.

This show to be promoted as “hosting the Land Rover Jumping Challenge”.

No special classes required, and no results calculation required. All results tracking will be managed by ESNZ. It is intended that classes will already be part of the show schedule

A copy of the Jump sheets from the Land Rover Series classes are required to be sent to ESNZ for scoring purposes.

The show to offer (for each of Show Hunter and Jumping):

- 2 pony classes per day for two-day show (total 4 classes) in the range of 80cm – 1.00m
- 2 horse classes per day for two-day show (total 4 classes) in the range of 90cm – 1.10m

Excludes classes run under Art 238 1.1 (A1)

The series will run between 1st October 2022 and 26th March 2023.

Sponsor Hosting

Land Rover wish to connect with the community as much as possible through this series and may attend your show, along with displaying Land Rover vehicles. Once dates are confirmed your committee will be advised if Land Rover will be attending and contact details.

Where possible, the team combinations should be identified in programmes/online (consider the Land Rover logo by their name) to create interest at shows and allow the public to follow this competition. Ongoing results will be made available throughout the competition for announcing and generating public interest.

Where Land Rover representatives are present, riders should be encouraged to connect with them. Consider a photo with car/riders.

Land Rover logo and information for schedules and promotion will be provided.
