- This Event is part of the ESNZ Eventing National Series.

## **IMPORTANT – ALL COMPETITORS IN FEI CLASSES**

In accordance with the FEI Veterinary Regulations 2022 the Horse Health Requirements are being rolled out globally as of 1 January 2022. Derived from the EHV-1 By-Laws, applied in Mainland Europe from 31 May to 31 December 2021, the Horse Health Requirements have been put in place to:

- protect FEI Horses and global equestrian sports from the consequences of infectious diseases being transmitted before, during and after FEI Events
- provide reassurance of the high health of equestrian sport Horses to global, continental and national veterinary authorities and organisations
- maintain and further improve the conditions for international movement of sport Horses

**There are new requirements from the FEI which require riders/grooms to record horses temperatures twice daily for the three days prior to arrival at the competition venue. Temperatures are also required to be taken twice daily while at the venue.**

**These temperatures will be loaded into the FEI HorseApp which you will need to download. See the link below and make yourself familiar with the requirements.**

[www.inside.fei.org/hub/horse-health](http://www.inside.fei.org/hub/horse-health)

**Please note that this is an FEI requirement and is done through the app directly with the FEI. Failure to comply will result at best a warning from the FEI and or sanctions on the horse involved.**

**So please take this seriously and have your horses registered well before the event and showing on the FEI HorseApp otherwise you will not be able to compete.**
