Thank you for your entry into the Young Event Horse Class.

In a move to increase the integrity of this competition and to align with ESNZ Eventing rules we recommend all horses have breed papers or a passport to prove not only the pedigree, but also the year of birth of your horse and have this recorded at ESNZ .

- If you are competing a thoroughbred, simply send in a printout from Studbook | Stud Book (loveracing.nz)
- If you are competing on a warmblood horse and do not have papers please contact either the NZWA or the NZ Hanoverian Society to get papers for this horse.
- If you are competing a crossbred you can contact www.sphanz.co.nz to gain a passport that way, and if your horse is a specific non-warmblood breed (eg Irish Sport Horse) please contact the relevant breed organisation.
-

We are sure you will agree that ensuring all the pedigree information on each horse is correct and the breeder of your horse is recognised is an important step forward in promoting these young event horse classes.
