The Oro Dressage by the Lake Event Team, along with Dressage New Zealand welcome Duncan & Ebbett Land Rover onboard as a major supporter of the Oro Dressage by the Lake Event at the boutique Takapoto Estate on 1-2 May

With the support of the local Duncan & Ebbett Land Rover dealerships in Hamilton & Tauranga, we are pleased to announce the scheduling of the Custom Logistic Grand Prix Freestyle under the Land Rover Lights on Saturday evening.

The addition of lights to the show adds on a completely new aspect, and we look forward to showcasing dressage under the Land Rover lights from 5.30pm.

The Oro Dressage by the Lake team also wish to announce the addition of two new classes due to extra space in the schedule. The Matthews Hanoverian Young Dressage Horse class will be featured in the Ice Marketing Arena Saturday afternoon, followed by the Williamson Water and Land Advisory Young Rider Freestyle and the Custom Logistic Grand Prix Freestyle.
