3. REMITS & DISCUSSION ITEMS

a) Remit 1

Re: Jackets / Tailcoats

Submitted by: Anna Gale / SI Riders Rep

Seconded by: Sonja Swale / Member

CURRENT RULE /ARTICLE NUMBER : 479

Amendment

Training Events (TE) & Local Events (LE) (all levels graded & non-graded)

Jackets

Riding jackets are optional at Training & Local Events at all levels.

Tailcoats are permitted at levels Advanced to Grand Prix.

RATIONALE:

In the current rules, the use of tail coats is only mentioned for Regional Events and National Championships. 'Jackets' is the term referenced for local events and training events. This remit is proposed to ensure that there is no misinterpretation, and to allow for the use of tail coats at all types of competition, at the competitors discretion, without penalties for incorrect dress being awarded.

Passed/Failed

b)Remit 2

Re: Judges

Submitted by: Belle Clark

Seconded by: Catriona MacFarlane

CURRENT RULE/ARTICLE NUMBER : Article 440 – Eligibility, Duties and Responsibilities of Judges

Add

REMIT:

4.5 A judge is not required to declare a conflict of interest at local and training (L&T) events.

RATIONALE:

Remote regions struggle to get judges who don't also coaches.

Difficult to allocate judges at local and training events with small entries and small judges pool. Cost is prohibitive to get judges from outside of the area for such small events.

Coaches may be reluctant to become judges. This affects the ability to get judges in smaller regions.

Riders will be reluctant to get coaching if trainer is also a judge and this affects their ability to ride in L&T events.

We should be encouraging judges to impart their knowledge as coaches in their locality – not discouraging this.

If Article 440 4.1 & 4.2 is going to apply for L&T events then judges must declare any coaching conducted with competing riders within the previous 3 three weeks only.

Passed/Failed

Rule Review: For Discussion

3b). Review Rule Re Outside Assistance Around Arena

It was agreed at the 2021 AGM that the outside assistance rule be reviewed specifically in respect it being permissible for horses to be led around the space outside the arena prior to the judge bell being rung

The review to be based around Health & Safety

The rule was amended as below

Art 451.2.5 Unauthorised / Outside Assistance

If necessary, a horse may be assisted in the area directly around the arena by a single handler on foot who may not have physical contact with the horse or the equipment, but once the Judge's bell has been sounded any further assistance will be considered unauthorised / outside assistance.

Feedback from Stewards & Judges

- 1. We feel there is a safety issue with some very unpredictable spooked horses and riders in very small spaces. Feel familiarisation is the time for any help which is easier to control. Once the rider has presented around arena then it is up to judge to control.*
- 2. Isn't this why we have Familiarisation?*
- 3. On a number of occasions I have seen horses reluctant to go around the arena. Generally the rider sorts it and its all good.*
- 4. If there is a rule stating a horse may be accompanied around the arena, then I'm sure nervous riders on nervous horses will take full advantage of it. If you have 3 arenas running side by side and 2 extra helpers in the mix it raises safety concerns. The helpers are leaving while other horses are coming and going!*
- 5. I would suggest the rule be amended to say something like under certain or unusual circumstances permission may be granted by the Judge at C for a helper to accompany the horse until the bell rings. The helper must then leave the area immediately by the safest route.*
- 6. It would be at the Judges discretion. At the end of the day it's the Judges field of play!*
- 7. I have been in the situation of assisting a rider/horse around the arena and getting out of the area has been of concern. Familiarisation is for getting around prior to see any problems. So agree with what has been stated.*
- 8. I have not any problems with horses going around the arenas that weren't solved at familiarisation*

Other Feedback

Is consistent with points 5 & 6

That the judge is in control of the space around the arena once the combination enters that space and in unexpected circumstances which may occur for that combination which cause a resistance that the judge at their discretion permit assistance

Note: Associated Rule 451 1.17

Resistance:

Any resistance which prevents the continuation of the test longer than 20 seconds will result in elimination. However resistance that may endanger the athlete, horse, officials or the public will result in elimination for safety reasons earlier than within 20 seconds.

This also applies to any resistance before entering the dressage arena or when leaving the arena

Action:

3d) Code of Conduct : For Discussion and Actions for Breaches

Nelson Dressage & SCNO Dressage request that this topic/proposal be added to the agenda of the 2022 Dressage NZ Planning forum:

TOPIC: Abuse of Officials

Proposal and / or Rationale for Forum Discussion:

With a strong commitment and focus on the “Change the Rein” campaign, we would like to focus discussion on the pillar of “rein in rubbish behaviour”.

Passive-Aggressive behaviour by people in our sport, especially hiding behind a key-board, threatens to undermine the goodwill of our volunteer officials

We need to find a way to encourage more officials to speak up when they have been verbally abused, spoken to inappropriately or been sent inappropriate messages/emails etc.

Suzanne Inglis - Over the last 10 years I have been involved at Nelson Dressage I have personally witnessed at least 6 judges being spoken to aggressively or inappropriately to buy riders/trainers, and in every instance the judge did not want to take the matter further, no action was taken, and I know several of these riders have then gone on to do the same thing to other judges, this needs to stop.

While we have the policies in place to deal with this, it would seem most officials don't want to report it and we need to find a way to encourage more of them to speak up, and not reward bad behaviour by doing nothing.

There are already policies in place to deal with protests/complaints, and rider need to follow correct procedures should they have an issue with an official. Judges are more than happy to talk to riders about any marks or comments on their papers, but it must be done in a respectful manner

We expect high standards of judging, we all strive for that, and every judge is constantly striving to give a fair and honest assessment. Fear of abuse and ridicule will drive judges away, or at very least make them too cautious.

Obviously, this applies to anyone acting inappropriately towards any official, including other officials, spectators and associated parties to the riders.

4. Youth Council Update

The Dressage New Zealand Youth Council has been hard at work with the launch of their new Facebook Group, supported by Dynavite (www.dynavite.nz) and Grit & Grace (www.gritandgrace.nz), two amazing companies that are keen to get behind our riders.

The launch of this group is an exciting new development for the Youth of our country, providing them with a private platform of their own to discuss ideas, ask questions, create new friends and learn from experts through online webinars, which are all elements that the Council are hard at work putting together.

The group is private, limited to riders under 25 (with exceptions). These exceptions allow for one parent or guardian of a child/children that do not have direct Social Media access yet to join the page on behalf. This has been put in place so that our riders feel comfortable having discussions but allows for our younger members to also be included so that we are able to accommodate all. All riders are welcome, including Pony Club and other interested non-ESNZ members, so that we can provide information and training for a broader range of Kiwi kids.

The Council is also planning to do some in-person get-togethers with Youth Riders at events before the end of the season, so if you are going to be at the AMDG YR & Amateur Championships (30 April - 1 May Clevedon) and the North Island Dressage Championships (6-8 May Taupo) please come along!

Plans are in place to start encouraging Youth riders to be encouraging, supportive and helpful at events, working alongside the #GameChanger framework to make the environment of our sport more welcoming. This initiative is being backed by the team at the Hawkes Bay based TackShop NZ, (www.tackshop.co.nz/) another business backing Youth participation in our sport, so make sure you support them, and all our sponsors return. The TackShop have generously sponsored \$500 worth of vouchers which will be awarded to youth riders who are recognised as Game Changers for youth

If you have any queries or Game Changer nominations for the Youth Council, please contact them direct on dnzydc@gmail.com

Other Notes & Recommendations

1. Deleted in last 4 years from all bronze sections with the aim to make bronze for combinations with less experience
2. Amended to clarify the number of scores required to move up a level - changed for all levels
3. **Consider removing freestyle exclusion** clause and increase score numbers to more than 10 (ie 11 or more) to overcome identified issue of riders restricting number of tests they ride at an event (perceived manipulation)
4. Lowered the threshold for Prelim and novice to move to silver
5. **Make Gold an Open Division** – open to any level of rider if run as a separate class. Riders from lower classifications who enter the separate Gold/Open class will not be able to receive bronze/silver awards as a result
6. Where the level is run as one class and awards provided for the separate categories within the class riders do not have the option of riding up a level or Open and will have to ride in their classification. This is due to the difficulties of OC's being able separate riders
7. GSB is not meant to necessarily separate amateur from professionals (if they actually even exist in NZ) but to create competition classifications for a specific combination so that the combination (of horse & Rider) compete with their peers.
8. The system run for the 2021/22 season albeit restricted due to Covid did throw up some anomalies and it is hoped that the amendments above will address those going forward, especially in regard to the Bronze level.
9. The classification system is designed that on the basis that combination improves they will in time move up levels of classification. This should be celebrated and seen as an achievement. It meets a key goal of Dressage NZ of improving the base of dressage in NZ. If there is some way of recognising riders when they achieve their 9 scores would help with this.
