EQUESTRIAN SPORTS NZ Integrity – Child Protection

SECTION 1: Child Safeguarding Policies

POLICY 1: Child Safeguarding Policy

Policy Rationale	<p>Commitment to Te Tiriti o Waitangi</p> <p>Equestrian Sports New Zealand (ESNZ) recognises Te Tiriti o Waitangi as Aotearoa New Zealand’s founding document.</p> <p>ESNZ is committed to upholding the mana of Te Tiriti o Waitangi and the principles of Partnership, Protection and Participation.</p> <p>Child Safeguarding Policy Background</p> <p>Working with children and young people is a privilege. Children and young people have the right to thrive in safe and supportive environments within the play, active recreation and sport system. Play, active recreation and sport is a vital part of life. It offers fun, great pride, a sense of achievement and is a positive influence in the lives of many children and young people, including building self-esteem, resilience, routine, teamwork and a sense of belonging. However, the wellbeing of children and young people in play, active recreation and sport also requires their safety and welfare being covered.</p> <p>To achieve this ESNZ has embraced policies and practices that support and protect children and young people. We acknowledge that every person involved in ESNZ has a legal and moral responsibility to protect children and young people from abuse and neglect. Children and young people have a right to take part in equestrian sports at ESNZ in a safe environment and to receive the support they need if they are at risk or vulnerable.</p>
