

Development and Mentoring Program

We are now inviting ESNZ Endurance members who meet the below criteria to apply for this coming season 2019/2020 with the Development and Mentoring Program.

This is an individual based program where individual plans will be formulated for each rider to help them succeed with their season goals. The rider may have more than one horse but there will be one priority horse focused on (which may change due to injury etc.). The horse may be owned by someone else. Assistance is given for goals with ESNZ Endurance only.

The term and cost for the program is per year, although individuals may be a member for longer. The cost is \$250, which is to cover cost as this program is self-funding and outside expertise may be hired at times. Individual support and season planning will be given as well as a clinic in each island which will be at a reduced cost for those on the program.

Regular communication with the facilitators (Andrea Smith and Susan Reid) is necessary and expected to gain success of this program.

Written outline of Rider/horse combination achievements to date and ultimate goal for the 2019-2020 season is required.

Minimum Qualification requirement is Open Rider status.

Preference will be given to those wishing to compete at 100km+ level.

Applications close July 31st 2019:

Please send to: Andrea: smithenduranceteam@outlook.com and
Susan: robert.susan.reid@xtra.co.nz
