TAKAPOTO ESTATE

WINES BY TAKAPOTO ESTATE

International acclaim and Takapoto Estate wines seem to go hand in hand. Our single vineyard wines are sourced from the very best of grapes from our own estate, as well as the world renowned vines of Central Otago and Hawke's Bay. They speak to the celebrated terroir they come from.

Our boutique family-owned winery offers a range of exquisite wines that can't be found in mainstream shops – from our opulent rosé, to our beautifully bold chardonnay, our silky pinot noir, among others. Each made with minimal intervention and natural fermentation when possible. In short, they are magnificent.

Our winemaker Alex Coldicutt is hands on across throughout the process, nurturing each batch carefully to ensure the most delicate of flavours created by nature still shine through in the finished product.

Discover our exquisite wines when you visit the Rider's Bar at Takapoto Estate for ORO Dressage by the Lake. Off licence available.

*Wine tastings also available by appointment.

Welcome from the Event Team

We would like to warmly welcome all riders, supporters, sponsors, officials and volunteers to Oro Dressage By The Lake.

Our first show at Takapoto Estate in May 2021 Event was one that none of us will ever forget, and our aim for this event is to deliver more dressage and more great memories. The entire Takapoto team and the Plaw family have been fully behind the event since the first planning meeting in November 2022 for which we are extremely grateful.

The opportunity to host FEI Dressage and an Olympic qualifier at Takapoto Estate was the platform the Event Team needed to start conversations and planning.

We wish to make special mention of both Clare and Brendon from Oro Equestrian. Your unwavering support from the day we contacted you 12months ago, your encouraging phone calls, through to your sharing of our Facebook posts all contributed to the delivery of the show – you will never know how much that quiet reassurance meant at times.

The ability to expose New Zealand Dressage on the world stage has been made possible with the opportunity to live stream the event on H&C TV. Along with Black Horse One supporting the show with both live stream and spectator judging, it brings a new level of excitement as well as exposure.

We are delighted to welcome a large number of new sponsors to the Dressage NZ team for this event. We hope that your involvement with the sport will continue for many years to come. To our loyal Dressage NZ sponsors you are the rocks of the sport, with every show you are the first to sign up every time – thank you!

We also would like to welcome the Para-Equestrian riders for the first time at Oro Dressage by the Lake and thank the sponsors of these classes for pulling together a as team to make this happen.

We are extremely pleased to welcome a large contingent of International Judges to complement our New Zealand based FEI judges, we hope that the experience is some-thing you will treasure.

The Dressage New Zealand Board have been very supportive of this huge undertaking providing us with administrative support and confidence to deliver what promises to be an incredible event on the 2023 calendar. Without this support the event would have been but a pipe dream.

As with any show of this size, it takes a small army to run this event. Without the large number of volunteers and officials giving their time, none of this would happen. Please thank all of them as you are passing, it does mean a lot.

We look forward to a fantastic weekend of dressage. We trust everyone has a fabulous time.

Debra Cowen - Event Manager Kara Lockhart - Event Secretary Lisa Marcroft – Sponsorship

Welcome from Dressage New Zealand

What an exciting time it is for Dressage New Zealand and all our competitors to be able to once again compete at such an amazing venue, Takapoto Estate.

DRESSAGE

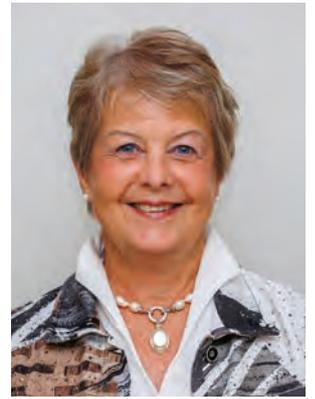

Huge thanks must go to the Takapoto team for working so well with us and allowing us to put on this incredible show. Those who attended the first Dressage event here in 2021 will know what an amazing venue it is and how well everyone worked together as a strong and knowledgeable team.

Our Event Manager, Debra Cowen and her dedicated team have put in many hours of work in making this prestigious event possible. It has been a huge task and we hope all spectators, volunteers, officials, competitors and sponsors will enjoy the experience and join us in sincerely thanking the event team all for all their hard work. A very special thanks and appreciation must go to our major sponsor, ORO EQUESTRIAN and all of the event sponsors for being part of our journey to create an amazing sport. We are privileged to have many sponsors who continually come back year after year to work with Dressage New Zealand and support our riders. Without our sponsors, events such as this would be impossible to run. The show would also not be able to be run without the support of volunteers who will dedicate hundreds of hours of their time to the event. Your willingness to offer your time is appreciated by us all.

We welcome our International Judges, Susie Hoevenaars 5* (AUS), Maria Schwennesen 5* (AUS), Gabriel Armando 4* (ARG), Kristi Wysocki 4* (USA), Sue Hobson 4* (NZL), Helen Hughes-Keen 4* (NZL) & Linda Warren-Davey 4* (NZL), Mura Love 3* (NZL), Betty Brown 3* (NZL). And many of our National Judges. Hopefully you will have a great time and be able to see some great combinations.

To all our riders – we wish you every success and enjoy your time at Takapoto and hope you achieve your dreams

Welcome everyone
Sue Hobson (Chair Dressage NZ))

WAIPĀ
HOME OF CHAMPIONS

Welcome from the Waipa Council

A very warm welcome to the participants, coaches and supporters to Waipā for the ORD Dressage by the Lake competition.

We are thrilled to have you in our district, known nationally and internationally as Waipā Home of Champions. Equestrian sport in particular has a large, celebrated presence in our region. We are looking forward to viewing some superb dressage and celebrating the performances throughout this competition. Performances we are hopeful may lead to an Olympic Games qualification and a New Zealand rider (or riders!) winging their way through to the FEI World Cup Final in April 2024.

Here in Waipā, we are extremely proud of the things our district has to offer residents and visitors alike. The exquisite venue of Takapoto and its magnificent Lake Karapiro backdrop will no doubt provide a wonderful location for your event. We have an extraordinary natural environment, fabulous shopping, great eateries and much more. I sincerely hope that, in between the classes, you get to enjoy those things while you are here. If that means staying longer in our district – all the better!

On that basis, I offer my sincere congratulations on your commitment to competing at this level. It takes time, dedication, and fantastic physical fitness – that's truly inspiring.

I wish you the very best for a successful dressage event and thank you again for spending time here in Waipā.

Susan O'Regan, Mayor of Waipā

Road to Paris

Dressage Road to Paris 2024 Olympics – *ORO Dressage by the Lake* is the last chance for our New Zealand based athletes to earn Olympic Qualification scores.

The 2024 Paris Olympic Games are just under 400 days away and Equestrian Sports New Zealand and the High Performance team is currently planning to have Dressage represented at the Olympic Games alongside Eventing and Jumping.

To be represented in Paris, the first thing New Zealand needs to do is qualify for a spot at the Olympic Games.

The best outcome is that we can achieve is an individual spot, so just how do we go about securing that?

New Zealand is part of Olympic Group G, which includes Australia, Japan, Hong Kong, Chinese Taipei, Singapore, Malaysia. These are the countries we are up against when it comes to achieving.

2024 Olympic qualification. However, the 2024 Olympic Team Qualification Group G place has already been filled by Australia as a result of them being the best performing Group G team at the 2022 FEI Dressage World Championships in Hening.

This now means all other countries in Group G compete to earn one of the two available individual spots.

These are decided by the two highest placed athletes on the FEI Dressage Olympic Rankings from Group G from during the period 1st January – 31st December 2023.

A country can only earn one individual spot. For example, one of our NZL athletes finish at the top of the rankings list and a Japanese rider finishes second, then NZL and Japan earn an individual spot each. If NZL athletes finish first and second on the rankings and the Japanese rider finished third, then NZL and Japan each earn an individual spot.

How does a combination earn FEI Dressage Olympic Ranking points?

PARIS 2024

A combination can earn Olympic ranking points from their Grand Prix level competition results at any CDI3*, CDI4*, CDI5*, or CDI-W competition. The Grand Prix, Short Grand Prix, Grand Prix Special or Grand Prix Freestyle all can count but with a maximum of one result per event. The points for the final ranking are obtained by adding the four best scores achieved during the Qualification period.

Our own Melissa Galloway leads the Group G rankings at 31 October having recorded 4 very good scores at CDI shows in both New Zealand and Australia this year.

Melissa has an opportunity to increase her score at *ORO Dressage by the Lake* by scoring higher than one of her 4 recorded scores.

Wendi Williamson currently sits in 9th place, however has only 3 recorded scores, so will add to her total this weekend.

Pleasant View Equestrian

Whether you want to ride over our 650ha farm or Hitch a Ride on one of our team of horses, try out our Cowboy Challenge course, use our 60x20 arena (with sound system), 20m Roundpen or our XC course (under construction) there's something for every level of rider.

\$5 from every ride is donated to Cambridge RDA and Conductive Education.

My Story - Nicola Marvin

Volunteer Co-ordinator at ODBTL

We all know how much effort it takes to get prepared for a competition if we are competing, but planning a show takes months and months of work behind the scenes. A bit like training our horses

I try to volunteer at shows if I am not riding – I love writing, and get a lot out of it, but have also helped in the office running, answering queries and generally getting stuff done, depending on the show and where the needs are.

Both of these tasks are great ways to catch up with people and see how they are progressing. It gives me inspiration to go home and work my horse and think about how I'm riding and what I'm asking my horse to do. More bend, more supple, straightness, etc, etc. I don't need to worry about more forward!

I have to admit, my volunteering tends to only be on the day of the show. I'm not sure I have the mental capacity after work stresses to do more than that. My hat goes off to the judges that spend their lifetime working their way up through the levels, many weekends on the trot away at competitions and clinics to further their skills and knowledge.

The organising committees also have a huge commitment leading up to the competition. I can only say a big thanks to all of them for the huge time and effort that goes into the competitions.

Aren't we all very lucky they do that for us and our sport?

ODBTL Comment – Nicola is a tireless worker in the office at shows. She has assisted for many years at Dressage Waikato shows, and recently relocated to the Hawkes Bay where I know that group are very grateful for her support.

My Story – Amy Sage

Having been sat on a pony before I could even walk, I think it's fair to say I was destined to ride horses!

I started at pony club before becoming competitive in showing. Together with mum (Nicole), we travelled around the North Island with a team of show ponies culminating in HOY wins and a trip to the UK as part of the winning inaugural NZ Showing Team in 2015.

When I turned 17, now too old for ponies, I decided to concentrate on dressage and bought my first hack *RM All About Me* (by Anamour). "Pie" was bred by Peter and Debbie Barke and was graded Level 3. Pie had a beautiful start with Peter and Debbie but was very strong willed and often cleared out warm up arenas!

In 2018 I put my university degree on hold, moving to Taranaki with Pie to be Vanessa Way's working pupil (until 2020) and I have remained training with Vanessa ever since. During this time Pie and I went from strength to strength and won the Young Rider Title at HOY and Young Rider Champion at Nationals. We have since gone on to compete Grand Prix.

After leaving Vanessa's it was time to transfer everything I had learnt to training my own young horses, *Sinatra SW* (by Sir Donnerhall) and *HPH Furst Welcome* (by Furstenball), both of which I have trained through the levels to where they are now at Advanced. I also have the lovely rising 6-year-old *SWE Barcelona* (by Buckingham) training at home who I am really excited about!

I am currently juggling finishing my business degree at the University of Waikato with my own horses, coaching, training clients horses and making musical freestyles.

I am really looking forward to competing at ODBTL, it will be a super opportunity to compete with an atmosphere and of course the venue is so beautiful. I have chosen to compete *HPH Furst Welcome* in the Advanced and *RM All About Me* will be having her first start of the season in the Medium Tour.

I am grateful to be sponsored by Razor Web, Design and Marketing & Sterling Warmbloods, both businesses support me in achieving my dreams with my horses.

I would also like to thank the show organisers for all their work putting together a show of this calibre at the stunning Takapoto grounds.

"I can really feel such a massive difference in all my horses. The comfort & stability in their movement is so much better."

Melissa Galloway

International Dressage Rider,
Trainer & Coach

My Story - Diane Belcher

Competitor, Sponsor & Member of Para Equestrian Supporters Club.

I'm Diane from Pleasant View Equestrian. We have a 650ha farm on the outskirts of Cambridge that is open to riders to enjoy. I also have a 60x20m irrigated covered arena with sound system that's available for use, a 20m round pen, 2 indoor stables and 5 covered sand yards.

The farm has lots of tracks for riders to explore, a Cowboy Challenge course with new obstacles added when I get time and inspiration and a XC course is in the development/building stage.

I also have a team of 20 horses available for those who would like to ride but don't have a horse - something for every age, stage and size of rider.

Every farm ride, arena hire, or Hitch a Ride raises money for two charities close to my heart - RDA and Conductive Education. Last financial year we raised just over \$19K which is hugely rewarding.

You might ask why?

My son Daniel was born with Spina Bifida (plus a long list of other superpowers). When you have a child with a disability life can be a little challenging and to some extent isolating.

My arena is not called the Field of Dreams for nothing - build it and they will come. I love dressage but getting out to compete requires organisation akin to the NZ Army on manoeuvres - I need to find support workers to look after Daniel while I ride.

You think entry fees are expensive ? Add wages to the equation

Daniel rides at Cambridge RDA on his pony, Pihanga and whenever I compete he always asks "when can I do a test Mummy"? So, at every opportunity I have entered him in a competition and sweet talked the organisers / judges into his participation with a high degree of support. His biggest challenge in the Para test is halting at A and counting to 5

because that means he also has to stop talking. That's a hard thing for him ha ha.

Because it is hard for me to get out as regularly as I would otherwise like, having people coming here is a great social outlet for me and Daniel because his other passion in life is trailers. No horse float or truck leaves here without a thorough inspection, he can talk non-stop to everyone and loves to meet the horses.

Hope to meet you all at Takapoto (hopefully I might even be competing with my biggest supporter yelling go Mummy!)

Alma grew up in the English country side surrounded by equines of all sizes and principles. The passion for horses has never paled. Cross Country eventing gave way to showing, which led to the dressage arena of which the passion flows.

Based in the heart of the stunning Waikato, within easy reach of the major Equine Hospitals, and a bonus ... 30 minutes drive from Takapoto.

We offer tailored packages, whether it is for one overnight stay between long journeys, veterinary pre and post procedures or holiday stays and everything in between. Your horse or pony will be treated as one of the family and will be cared for as you wish.

Big airy stables, large sand yards, paddocks full of horse friendly grass and herbs, horse walker, solarium and warm wash downs, Treadlite round pen as well as 54m x 60m Treadlite arena.

We also have cottages for rent and plenty of space for lorry camping. Please feel free to call to see how we can build a package that is as unique as your horse.

My Story - Luca Swale

Fiordland Discovery – Premier Arena Sponsor, and Luca Swale – Competitor

The Fiordland Jewel is a 24m, three-deck catamaran with a high-quality 5-star marine fit-out. Our Milford Sound overnight cruise sleeps 20 passengers a night, and on our Fiordland and Stewart Island private charters and our small group scenic boat expeditions we cater to a maximum of 18 passengers in nine cabins with sea views, each with their own ensuite bathroom.

The idea for Fiordland Discovery is sparked from a lifetime of knowledge and experience within Fiordland National Park and Stewart Island.

Designed and built by owner and skipper, Rob Swale, Rob grew up spending much of his childhood immersed in the area with his father. Rob and wife Kate, are wildly passionate about the preservation of Fiordland and Stewart Island, whilst exploring its unique and dramatic landscape both above and below the water.

The couple's daughter Luca shares in her parents' love for Fiordland. Whilst life has taken her to the North Island to pursue her equestrian dreams, she grabs at any opportunity to disappear into the depths of Fiordland. Luca is studying at Waikato University and combines study with competing her lovely mare *Innuendo II* at Medium level.

Oro Dressage by the Lake presents a unique chance to showcase two immense passions for the family at a world-class and professional event.

Fiordland Discovery is honoured to be sponsors of the Premier arena at Oro Dressage by the Lake and look forward to showcasing the high-end adventure cruises that we offer.
