

We are also delighted to announce a new partnership with RD Petroleum that provides a discount for fuel at the pump. Our relationship with RD Petroleum will provide you with an option to help reduce your fuel bill by signing up to a fuel card and saying you are an ESNZ Member through the application form. The offer applies at all BP and GAS Stations.

An RD Petroleum flyer is attached, and you will need to sign up to an account online. You can choose to sign up for fuel card either as an individual or as a business. Please make sure that you complete both stages of the signup process:

Firstly, apply using this link: <https://apply.rdp.co.nz/>. On the form be sure to fill in the box, how did you hear about us? Please answer: Equestrian Sports New Zealand. And secondly, you will receive an email from DocuSign to open and sign, and then the application is complete.

ESNZ posts weekly fuel and diesel rates on our Facebook page.
