

WHAT IS A REMIT?

TO REFER (A MATTER) TO A COMMITTEE OR AUTHORITY FOR DECISION

HOW DO REMITS WORK?

STEP ONE

Area Groups and ESNZ current individual full members can submit remits (changes to current rules, new rules or to remove rules) to Dressage NZ using a remit form. Remits must be seconded

STEP TWO

All remits are then made available to Area Groups to discuss at their meetings.

Each Area Group will then decide on how they would like for their Area Delegate to vote at the Dressage Planning Forum.

Remits passed at this meeting (maybe reworded for better definition or clarity) then go back to Areas and come forward for a final vote at the AGM

STEP THREE

Remits passed at the Planning Forum are then discussed at Dressage NZ AGM, and all voting delegates are able to vote for each remit submitted.

STEP FOUR

Any change to By-law 17 (Rules for Administration of Dressage) must also be approved by the ESNZ Board at their first meeting following the Dressage AGM
