2025 Secondary Schools Equestrian Championships

Welcome to the South Island Secondary Schools Equestrian Championship 2025 brought to you by Equestrian Sports New Zealand, the New Zealand Pony Club Association, and New Zealand Mounted Games.

AIM: The South Island Secondary Schools Equestrian Championship, held annually in Christchurch, is New Zealand's largest junior equestrian event. This unique multi-disciplinary event was initiated to celebrate our school-age riders. It is an excellent occasion for our diverse young riders from all areas and educational backgrounds to compete in a variety of disciplines, interact with each other outside their usual social circles, and develop social interaction skills. The championships are an opportunity for our competitors to try something new, and the format of the four-day competition/experience has been developed so riders can take part in different disciplines as well as supporting their teammates. The event offers experiences in Competitive Trail Riding (CTR), Arena Eventing, Jumping, Show Hunter, and Dressage. In 2025, two new disciplines have been added: Mounted Games and 3-Day Event.

The Championship is a strategic partnership between School Sport NZ, Equestrian Sports New Zealand, the New Zealand Pony Club Association, and New Zealand Mounted Games. The different official discipline boards are actively involved in sharing knowledge and expertise before and during the event, with discipline Ambassadors lending a hand at the event.

Since it began in 2022, the South Island Secondary Schools Equestrian Championship has grown significantly. From 203 competitors representing 56 schools and four sporting codes, it expanded in 2024 to welcome 417 competitors and 115 schools to the event.

The Championship will be held in Christchurch from 25th to 28th August 2025 and we look forward to welcoming riders from across the South Island.

Please read the general conditions before you enter. It is each school's responsibility to know the rules and conditions of this event.

The SISS Equestrian Championship finishes with a prize-giving ceremony

2025 Secondary Schools Equestrian Championships

Provisional Timetable (tbc)

Please carefully check the timetable of the events, keeping in mind the welfare of the horse at all times. The event has been timetabled on the basis that students can compete in all disciplines and stay for four days of competition. There is something for riders of all abilities.

This year, we will have the opportunity on **Sunday evening** at the welcome function to **discuss and answer questions relating to the rules or the various classes**. You may bring along any equipment for checking. While there are no compulsory gear checks, there will be ESNZ stewards who can perform random gear checks during each event.

Please read the general conditions before you enter. It is each school's responsibility to know the rules and conditions of this event.

Conditions

This event is governed by the ESNZ General Regulations and relevant policies and codes, and where applicable, discipline sport rules and bylaws. All of these can be accessed via the Equestrian Sports New Zealand website: <https://www.nzequestrian.org.nz/esnz/rules-regulations/rules-and-regulations/>

Disclaimer of liability: *Neither the organisers of the event nor ESNZ nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, vehicles, their contents and accessories or any other personal property whatsoever whether caused by their negligence, breach of contract or in any other way.*

The Organising Committee may, at their absolute discretion, decline to receive any entry, or return any fee without being required to give any reason or being liable for any compensation.

The Organising Committee, in consultation with the President of the Ground Jury and/or Technical Delegate, reserves the right: to cancel any class or event, to divide any class, to alter advertised times, to transfer competitors between sections of competition.

2025 Secondary Schools Equestrian Championships

Eligibility

To be eligible to participate in this event, riders must be a current full, child, or introductory member of ESNZ or a current member of NZPCA – if not a current member of either organisation, then you must become a casual member for the event, and this is payable with the entries. You will be required to put in each rider's ESNZ or NZPCA membership number on the entry form.

Student Eligibility

See <https://www.schoolsportnz.org.nz/Sport-1/Events/eligibility-regulations-1> for full details of student eligibility. A student eligible to compete in this event must:

- a. be enrolled as a bona fide (Year 9 or above) student at their school of representation and studying at least 80% of a programme that is part of the timetable provided by the school for at least four weeks immediately before the event in which they seek to compete;
- b. have a satisfactory attendance record at the school. The final decision will be at the Principal's discretion; and
- c. be under 19 years of age at the first of January in the year of the competition, unless specified otherwise in these Regulations for a particular competition.
- d. the school must be prepared to authenticate a student's birth date. Organising committees may require validation by a birth certificate or passport.

This event is also open to year 7 and 8 students to compete individually; however, if event capacity is oversubscribed, year 7 and year 8 entries will not be accepted. This will be notified at the close of entries.

2025 Secondary Schools Equestrian Championships

Entries

All competitors must enter through the school where they are enrolled. No individual entries will be accepted. Please ensure each rider has an account with EvoEvents (www.evoevents.co.nz), and that their school and year level are entered in their “My Account” on EvoEvents before the school entry being made.

- **Teams:** A team comprises a maximum of 6 riders and a minimum of 3 riders. When schools do not have a sufficient number of riders to make a team, riders compete as individuals. Schools with more than 6 competitors will be asked to split their teams relatively evenly, with no team having fewer than 3 riders.
- **Composite Teams:** Composite teams from true sister/brother schools are permitted, but this must be evidenced and approved before entries are accepted.
- **Maximum Classes:** A Horse/Pony may only compete in one level in Dressage, Jumping, and Arena eventing. Each combination is only eligible to enter a maximum of 5 disciplines (with the 5th being the ODE, meaning 3 of the others must be Dressage, arena eventing, and jumping).
- **Number of horses:** Riders are limited to competing with only one equine at the event. Should numbers permit, entries may open for a second horse per rider. This horse may only be considered an individual entrant.
- **Stallions:** No stallions are allowed to enter.

Entries – Entries will be made through the School. Each School will collate and enter the team through a form. Payment will be made by invoice to the School. By entering online, you are making an agreement with the Organising Committee, and all fees are due. Entries not fully paid at the time of entry will not be accepted but will be held until payment is received and then accepted into the event, provided the event has not closed entries. Late entry fees will apply if payment is received after the closing of entries.

2025 Secondary Schools Equestrian Championships

Important Information

Responsible Adults: All riders must have an adult on the grounds who is responsible for them. This is not the function of the team manager. Each adult can only be responsible for a maximum of 4 riders. It is the responsibility of the school to ensure this is adhered to.

Cancellation: In the unlikely event of cancellation, an email will be sent to all entrants. Notice will also be posted on ESNZ Facebook and Instagram.

Communication: Team Managers are responsible for all aspects of communication, safety, and conduct of their team riders, horses, equipment, supporters, and vehicles. Managers will be the only point of contact between the event and the team, from entry through to the conclusion of the event. A WhatsApp or Team Reach site will be made to help facilitate communication. There is a 2025 SISS Equestrian Championship Event page on Facebook that will have a lot of information. See link: [Equestrian Sports NZ Facebook Event](#).

Disputes procedures/protests: All protests will be dealt with by the Organising Committee. A written protest from the team manager must be received within half an hour of posting the results, upon receipt of a \$50 protest fee. This fee will be refundable if successful. The decision of the Organising Committee will be final. ANY PROTEST TO DO WITH THE FAIR PLAY RULES MUST BE DONE BEFORE the start of the competition. No disputes can be made over this after the start of the show.

Dogs: Dogs are permitted on site but must adhere to the Dunstan Horsefeeds NEC rules around areas in which they are permitted. In permitted areas, dogs must be on a lead at ALL times. Loose dogs may be crated, and there is a \$50 release fee.

Draw Order: All classes will be run in draw order. If you arrive at your class out of order, you may be eliminated.

Dress: School Team uniform must be worn for all events. Please supply your own back number holder. Back numbers must be worn at all times while mounted, including dressage, even for exercise. Your numbers will be emailed before the event for printing. Yellow-tagged helmets are to be worn at all times while mounted. Safety-tagged back protectors must be worn for arena-eventing. Gloves are compulsory for dressage. Officials will not perform uniform or gear checks, but we may do spot checks. Team Managers are responsible for presenting their riders/teams in their school sports uniform and ensuring riders are wearing yellow-tagged safety helmets, and appropriate equipment and tack.

2025 Secondary Schools Equestrian Championships

ID tags: all horses must have an ID tag on them (horse/owner's name and contact phone number) while in the yards, and also attached to a piece of saddlery while being ridden.

Falls: Any rider who has an injury or fall on the grounds during the championships (including warm-up or exercising) is required to see the medic before remounting. The medic's decision on whether a rider continues or not is final.

Duties: To assist with the running of the show, all schools will have duties, therefore, each school will be allocated roles throughout the event. Please ensure that as a school, you have enough adult supporters to attend to the roles. It is the manager's responsibility to ensure there are adequate people available to perform these roles. While some may be undertaken by competitors, adults must be available at all times. It is possible that you may have to do your role at times when you have riders competing. We will publish a list of the duties and times before the event. Team penalties will be applied if duties are not conducted, and you will forfeit your place in this competition in future years.

Extra notes: Hacks and ponies may compete against each other in certain classes.

Manure: All manure MUST be picked up from all walkways and areas and put in a skip or wheelbarrow. Please ensure your school supporters or riders pick up their manure for all team members. Manure in the arenas MUST be picked up immediately.

Fair Play: Please make sure your riders enter appropriate divisions and follow the "Change The Rein"/Fair play frame works. Riders must enter classes at the same level at which they currently compete unless the team manager has received a dispensation from the Organising Committee via email.

Scratchings - All scratchings are to be notified immediately to the Event Secretary.

Team changes: All changes to your team (riders or mounts) before the event are to be sent via your Team Manager to the Event Secretary. All changes after the draw have been made must be in writing, signed by the Team Manager, and must be delivered to the office before 8.00 am on the first day of the competition.

Refunds - Riders scratching from the event 48 hours before the start of competition (before 8.00 am Friday 22 August 2025) will be entitled to a 100% refund of entry fees, less EvoEvents Online Booking fees and administration fee, on presentation of a veterinary or medical certificate.

2025 Secondary Schools Equestrian Championships

Merchandise

This year we will have Merchandise again that can be ordered direct from the supplier and will be delivered to you before the Event. More details to follow.

Parking & Camping

Parking: Parking will be allocated to each school in advance. Each vehicle booked for camping will be allocated an overnight vehicle pass that will need to be printed and displayed. On arrival, please park in your designated area. When trucks are being parked together, they must be nose-to-nose with enough clearance for the ramp to be dropped at each end without blocking vehicle access. As there is no tying of horses to trucks, vehicles can be parked very close together. There are no facilities for the erection of gazebos or communal tents in the parking area.

Due to limited space, we ask that everyone be considerate of others' surroundings and space.

- The parking crew can ask for a truck/float to be moved at any stage of the show. This must be done in a timely manner.
- Additional vehicle passes are available on request at a maximum of one pass per campsite.
- Additional vehicles may need to be parked away from your site if capacity requires. Parking passes must be displayed on your vehicle at all times.
- No roadways can be blocked by parked vehicles.
- Horse trucks and or floats cannot be transported in and out throughout the show week unless they have booked day parking. They must remain on their allocated site till they depart.

Camping: This event will be held in winter in Christchurch. The temperature can drop to negative numbers. Please be prepared for all weather conditions.

Powered Sites - There are very limited powered sites available, which will be allocated on a first-come first first-served basis.

Camping - Camping on grounds is not compulsory; however, students are strongly encouraged to stay on site. An onsite guardian must be nominated for each horse if the owner/rider is staying off-site.

- Accommodation/camping is to be completed online with your entry.
- All vehicles remaining overnight must display an Overnight Vehicle pass. Additional overnight vehicle passes are available on request at a maximum of one additional pass per overnight site. Additional Overnight Site applications submitted online are not guaranteed.
- In the event that Overnight Sites reach capacity, no additional sites will be given.
- Overnight sites that have not purchased power must not occupy sites with a power connection.
- All overnight site holders who are connected to a power supply must have a current electrical certification. This will be monitored, and if this certification is not held, the cord will be disconnected and removed.
- All overnight site material (including tents, vehicles, etc.) must remain within the site boundaries

2025 Secondary Schools Equestrian Championships

set in the overnight site areas. Any additional vehicles or equipment must be removed from the overnight site area.

- Overnight site holders staying in tents must ensure that tents are secured to the ground.
- We recommend that self-contained facilities be conservative, and the length of stay be taken into consideration. If you require your systems to be emptied, self-contained vehicles must empty the vehicle's wastewater and sewage tanks in approved facilities.
- Where more than one camper is using a self-contained vehicle, the total number of campers using that vehicle must not exceed the maximum number of occupants stipulated on the vehicle's self-containment warrant and certificate.
- Overnight Sites may not be available for local competitors if capacity exceeds out of town requirement. Local Competitors are those who normally reside within 50 km of the showgrounds. A full refund will be given on camping fees in the event of this being observed.
- No music or social activities outside after 9 pm curfew.
- Activities after 9 pm must be at a noise level that is respectful to other campers.
- Event Staff and Security have the right to shut down any activities if they see cause.
- Overnight site holders/campers returning to their trucks from other sites must do so in a respectful manner without interfering with or disturbing others.
- All students camping must be accompanied by a parent or guardian (see the responsible adults section above for ratio). If the student is accompanied by a guardian, both the parent and guardian must provide the team manager with signed confirmation that both parties accept responsibility for the student. The guardian must be at least 25 years old at the time of entry.
- As this is a Secondary Schools NZ event, there is a no alcohol and no smoking/vaping policy applied. Any competitors found to be breaking these conditions will be eliminated, reported to their school principal, and will be removed from the competition.

2025 Secondary Schools Equestrian Championships

Those with lease yards at NECs will be allocated their yard, so please indicate this on entry.

2025 Secondary Schools Equestrian Championships

Upgrades

- Upgrade requests (e.g., for covered yards or premium stables) must be made at the time of entry. Upgrades are at the discretion of the Stabling Coordinator. Schools will be allocated yards/stables together, all horses must be in the same type of accommodation (special conditions accepted at the discretion of the Event Secretary)
- Successful upgrade allocations will be emailed with an invoice, which must be paid within three days. Failure to pay will result in forfeiture of the upgrade and placement at the end of the waitlist.
- Once allocations are confirmed, any changes must be requested before the show. Requests after the show commences will be at the discretion of the Stabling Coordinator.

Stabling Bond Refund Policy:

- To qualify for a bond refund, stables/yards/paddocks must be left spotlessly clean (no manure, soiled bedding, hay, or rubbish).
- Competitors are advised to take a photo of their stables/yards on departure, showing the yard number for proof of cleanliness.
- On departure, competitors must text the Stabling Team with their yard/stable numbers. Text acknowledgment confirms receipt.

Conditions:

- Stables and yards must be booked for competing horses only. No unentered horses are allowed on the grounds.
- Horses or ponies deemed dangerous to others will not be stabled or yarded on the grounds; those showing this behaviour may be asked to leave during the event.
- Walkways must always remain clear (e.g., no gear buckets or trolleys).
- Temporary yards or tape fencing are not allowed.

- Owners are responsible for any damage caused by their horses to stables/yards. The bond will not be refunded if damages occur, and the owner will be charged for repairs.
- There will be a maintenance team on call for the repair of yards.

Allocations:

Stable allocations will commence after the close of entries. Where possible, school teams will be kept together. Lease yard holders will get their yard.

2025 Secondary Schools Equestrian Championships

Welfare of the Horse

In all equestrian sports, the welfare of the horse must be considered paramount.

The well-being of the horse shall be prioritised above the demands of breeders, trainers, riders, owners, dealers, organisers, sponsors, or officials.

All handling and veterinary treatment must ensure the health and welfare of the horse. The highest standards of nutrition, health, sanitation, and safety shall be encouraged and maintained at all times. Adequate provision must be made for ventilation, feeding, watering, and maintaining a healthy environment when horses are being transported.

Emphasis shall be placed on education in training practices and promoting scientific studies in equine health.

In the interests of the horse, the fitness and competence of the rider shall be regarded as essential. All riding and training methods must consider the horse as a living entity and must not include any technique considered by ESNZ to be abusive. ESNZ will establish adequate controls to ensure all persons under its jurisdiction respect the welfare of the horse.

National and international rules and regulations in equestrian sport regarding the health and welfare of the horse must be adhered to during events and training. Competition rules and regulations will be continually reviewed to ensure such welfare is upheld.

Health & Safety

Handling of horses outside competition: All horses and ponies being ridden must wear a bridle with a bit and reins; riders and handlers must wear their back numbers. Riding in halters or lead ropes is prohibited. Violations may result in the horse being impounded and a \$50 fee. Riders and handlers are prohibited from using cell phones while riding.

The use of bicycles is allowed on the grounds, subject to the following rules: helmets must be worn at all times. Bicycles must not be taken into secure areas, around practice arenas, or within stable/yard areas. Riders must not use cell phones while cycling or riding their horses. Any breach of bicycle rules will result in the bicycle being confiscated and placed in a lock-up until the show concludes. It can be collected at the end of the show.

Unauthorised use of motorised vehicles (e.g., quad bikes, gators, electric scooters, etc.) is prohibited unless pre-approved under specific dispensation clauses.

Any verbal or physical abuse, racial remarks, or other inappropriate behaviour will result in immediate removal and withdrawal from classes without refund.

2025 Secondary Schools Equestrian Championships

All competitors, spectators, and others on-site are responsible for their own safety and must act safely at all times. All individuals must comply with the health and safety conditions of the show. Any hazards

identified must be reported to the Equestrian Office immediately. A full copy of the Health and Safety Plan is available at the Equestrian Office. No vehicle movement is allowed in the secure area after dark or during low visibility unless permission is granted by security or show management.

PERSONAL DATA & MEDIA

By entering or attending NISS Equestrian Championships, participants consent to event photographers and videographers capturing images/videos that may be used for promotional activities. Images/videos may be shared with third-party event partners, but only in connection with the event. Title winners and placegetters must be available for interviews and photo opportunities. Participants will be notified of the time and location. By entering, participants consent to the collection of contact details for administrative purposes and their potential use by sponsors or affiliated organisations. Information collected may be used in accordance with the Privacy Act 2020 for purposes connected to the administration of equestrian sports in New Zealand.

GROUND RULES.

- SISS Equestrian Championships is committed to ensuring the health and safety of all people at the event and providing a safe environment.
- SISS Equestrian Championships Board enforces a strict drug, alcohol, and conduct policy. Non-compliance will result in disciplinary action or, if necessary, police intervention.

PROHIBITED ACTIVITIES.

- The use of illicit drugs on-site is strictly prohibited. Violators will face police involvement and immediate removal.
- Theft or deliberate property damage will result in police involvement, removal from the grounds, and withdrawal from all classes entered without refund.

Policies And Regulations

SISS Equestrian Championships follow ESNZ Rules and Regulations. Key policies include:

- ESNZ Drug and Alcohol Policy
- ESNZ Code of Conduct
- ESNZ Social Media Policy
- ESNZ Behaviour Policy
- ESNZ General Regulations

and can be found here: <https://www.nzequestrian.org.nz/esnz/rules-regulations/rules-and-regulations/>

2025 Secondary Schools Equestrian Championships

Scoring

Points are awarded per placing. Each discipline level will have the same amount of points available to add to the team score. As CTR, Show Hunter, “3-Day event” and Arena Eventing only have one class per level, 2x the amount of points will be awarded than that of the other classes. For example Dressage, Mounted Games and Jumping- Each class is allocated 35 placings to gain points, 1st is awarded 35 points, 35th is awarded 1 point, 36th is awarded zero points.

CTR, Show hunter, “3-Day event” and Arena eventing- 1st place is awarded 70 points, 2nd place 68 points, 35th place is awarded 2 points, 36th is awarded zero points.

Awards

Individual Awards

1st to 6th placing will be awarded in each class/round

1st to 6th placing will be awarded in each level/height

Team Discipline Awards

1st to 3rd in each discipline – Dressage, Arena Eventing, CTR, Jumping, Mounted Games, “3 day event”, & Show Hunter.

Points for placings will be allocated for each class. For Dressage, Mounted Games, and Jumping, which have 2 classes at each level, these are added together for each rider to give total points for the level. For CTR, Show Hunter, “3 day event” and Arena Eventing, the class points directly make the total level points. The top 3 individual-level scores from each team will count towards the overall discipline team score.

Championship Team

1st to 6th overall team – cross-discipline award.

The overall team score is the scores of each team discipline award added together.

Year 7 & 8 Team Championship

1st to 3rd year 7 & 8 team – cross-discipline award. Minimum of 3 in a team.

The scores are calculated by taking the top 2 scores from each discipline and adding them together.

Sportsmanship award

The Sportsmanship award will be awarded to one team that displays good sportsmanship throughout things such as:

- Supporting their teammates and others in the warmup or as a cheer squad whilst their teammates are competing
- Helping ring set up before the show starts/during & after
- Helping to keep the grounds clean, picking up rubbish or manure
- Helping to pick up rails when they fall during the show, and with changing jump heights

2025 Secondary Schools Equestrian Championships

To help us judge this, it is suggested that all team members, parents, coaches & support crew wear their school colours/uniforms. Anonymous judges will be checking all areas of the grounds throughout the competition to observe sportsmanship and horsemanship.

NB: Only results from years 9-13 students will be eligible for the team discipline awards and the overall championship team award.

About CTR

CTR is a timed event with individuals given start times approximately five minutes apart. You will be given an optimum time (e.g. 90 minutes) to complete the 10km course. We send out 2-3 riders at a time and do our best to send team members together where possible.

Faults are for being too fast (two time faults for every minute or part thereof under), too slow (one time fault for every minute or part thereof over) and also taken from heart rates – which are recorded when they cross the finish line and again at the final vet check (not more than 30 minutes after finishing).

Find out more about what CTR is via this link to the ESNZ website

“Three-Day Event”

New in 2025, this event will test riders over three days competing in dressage, showjumping, and arena eventing. Riders use their scores from their first dressage test, their arena eventing, and the first showjumping class to give a composite score – just like a real 3-Day event!

	Dressage Test	Arena Eventing	Show Jumping
