## DRESSAGE NZ WELCOME

---

On behalf of Dressage New Zealand, I welcome you to the 2024 Bates New Zealand Dressage Championships and to the 2024 NZ Para Dressage Championships.

Now more than ever we must show our gratitude for all the individuals who contribute so much to ensure the success of the event. I thank our event director Cassie Freeman, and the key members of the organising committee who have worked so hard to deliver both an international competition and a host of national titles. Their ability to provide this wide range of competitions with the support of many officials and volunteers to put on a world class show never ceases to amaze me.

We acknowledge and are extremely grateful to Bates Saddles our naming rights sponsor for this event, to those sponsors who have continued to support us and new partners in 2024. We understand the particularly challenging times faced by many of you.

A very big thank you goes out to all our national and class sponsors, trade supporters, media and service providers. We are truly appreciative of that part you play in the event. Without support from you all these high level competitions could not take place. Thank You!!

Alongside the prestigious Bates National Championships, the event incorporates a CDI 3\*/Y & J, Bronze & Silver Championships, FEI Pony classes, Pro Am, Young Horse Championships and Super 5 League Finals. We also thank the Para Collective for supporting our partner event the NZ Para Dressage Championships. The standard of competition at this event grows every year and the impressive field of large entries promises to deliver high class competition once again.

It is with great pleasure that we welcome our international and national judges, officials and volunteers. We thank all of you for the time, passion and knowledge you put into our sport. The number of officials and volunteers required to run an event of this calibre is staggering. May your time here sharing with our people be fun and rewarding, as it will be for each of the competitors and their support teams. Your judging is an integral part of our riders success and an in huge part of the progression of the sport.

Finally, to the riders, congratulations on being part of the 2024 Bates Nationals. This is the pinnacle event on the New Zealand Dressage calendar and those riding here represent the cream of the crop of New Zealand Dressage. The sport in New Zealand has come a long way, and each of you are part of that progress. Let's not forget while we compete this year just how easy it is to lose these events owing to circumstances completely beyond our control, and how lucky we are to be a part of this event and the community that forms around it.

Let's not forget too what our passion is really about and have a great time showing off the incredible horses and ponies we are all so privileged to get the chance to ride.

Good Luck everyone!

# Maddy Bostock

Photo Credit: Libby Law

At only 11 years of age, Maddy Bostock, from Havelock North, is the youngest competitor at this years Bates National Championships.

She will be campaigning Welsh bred, Section C, Kendra Park Sirocco (Rocky). Since becoming a partnership two and a half years ago Rocky and Maddy have progressed from Novice through to Advanced Medium and taking Reserve Champion in the FEI Pony - at the Bates National Championships 2023.

Maddy describes Rocky as “her Unicorn, and the smartest pony” but he is also a “total grump who doesn’t really like children”, so she has had to learn how to deal with the grumpy old man, as he is 17, and will not change now!

Photo Credit: Libby Law

Maddy started her riding career in the show ring, but her interest in Dressage blossomed during the covid period when it was not possible to go showing. However there were still dressage competition days, and Maddy began to enjoy the new challenge of Dressage. She now has the dream to compete at the Olympics, following in the footsteps of her heros, Charlotte Dujardin and Charlotte Fry.

Next season Maddy is focussed on getting her new pony, Devaron Gamechanger to FEI level and to compete Rocky at Advanced level.

For now, Maddy has her sights set on winning the FEI Pony classes at the Bates National Championships, so watch this space.....!-

## Dressage Fundraiser for Paris 2024

to be sold by Silent Auction

Bids close Friday, 22nd March, at the Bates National Championships

View at the ESNZ Marquee at HOY 24 March 5th - 10th

**ALL proceeds go to support our Olympic  
2024 Campaign**

From renowned equestrian artist Rosemary Parcell; "What I have always wanted to express in this imagery is the definition of the weight and mass of the horse, as well as the power and elegance in articulation. This is so clearly seen in dressage, itself an art form based on both physical and visual aesthetics. Dressage enhances the way a horse moves naturally, and at its best shows full harmony between horse and rider; horse and rider become a single entity. My intention is that my paintings should celebrate the athleticism and eloquence of this discipline, which demands a monumental approach, with simplicity and scale.

**"Piaffe Over Plaid" is an original oil on canvas , Size is 900mm x 900mm**

Rosemary has exhibited in the London exhibition of the British SEA (Society of Equestrian Artists) in The Mall Galleries, Pall Mall, and her work is coveted and sold in Australia as well as here in NZ.

If you would like to own this beautiful original painting and support NZ's 2024 Olympian , place your bid here

**Parcell to Paris**

Reserve is \$4,500.00 + GST

## Brina Carpenter

Twenty three old Clevedon based Brina Carpenter comes to the 2024 Bates Nationals with two U25 2024 national titles already with her name on, coveting both the Youth FEI Int A/B and Grand Prix championships at Taupo In January. Back in 2020 she won the Young Rider Horse of the year with the NZ Warmblood, Leo Donna bred by Warkworth’s Julia Fraser and now coming back after a two 2 year break from competition, Brina says Donna is “feeling better than ever” scoring a win in the AMS Saddlery IntA/B Freestyle at the EvoEvents U25 Championships with a score of 66.306%. “I was also very proud of how she went at ORO Dressage by the Lake in November”

Photo Credit: Libby Law

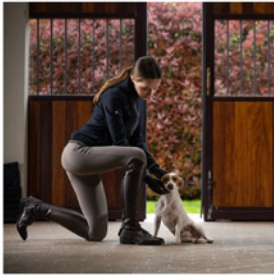

Brina is very excited to be stepping up to senior Grand Prix with the Hanoverian gelding, Parkridge Disco SW. “Danny” was bred by Carol Eivers from the Hawke’s Bay Parkridge Stud, and produced by Auckland’s Sheena Ross to Grand Prix. The pair won the IRT U25 Grand Prix Freestyle Title at the EvoEvents U25 Championships with a very creditable 70.375% at their first start at this level. “It just felt like everything we had been working on came together and it was so much fun to ride!” said Brina.

Brina started riding at pony club events when she was nine years old, but began focussing on Dressage when she was sixteen. She has since completed her degree at the Auckland University studying business and is currently working on a livery yard and doing some coaching and schooling. Brina’s coach and friend Sheena Ross said “She has had the pleasure to have helped Brina since she was on ponies. She has calm, kind, unflappable nature. She’s a very hard worker, a talented and sympathetic rider and a joy to work with!”

Always striving to achieve the “perfect 10“ drives Brina to improve. She would love to represent NZ internationally in the future and that is another goal on her horizon.

Brina is grateful to her sponsors 4CYTE and Oro Equestrian, both these businesses supporting her in achieving her dreams with her horses.

### Para Star – One2Watch

Nineteen-year-old Natalie James is a Grade V para-equestrian rider from Waitemata. She is an inspiring and skilled equestrian who is also known for her remarkable talent and friendly personality.

She started riding at the age of seven and received her first pony when she was eleven. In 2019 and 2020, Natalie competed in Show Hunter at HOY. Afterward, she shifted her focus to dressage and para-dressage. She is currently campaigning at Para Grand Prix level (equivalent to Medium Level) with her 14-year-old mare, Wild Thyme.

Natalie was born with APERT Syndrome, a congenital disorder. She has undergone numerous surgeries, the most recent in September 2023, but her strong character and determination enabled her to resume riding just eight weeks later and participate in the Oro Dressage by the Lake competition in November.

Natalie was a reserve member for the 2022/23 Dressage Waitemata Development Squad, actively participating in all the activities. She is popular among the members of her local club and has many friends at every show she attends.

Her riding goals include competing at the Nationals to achieve personal bests and maybe a Championship. Longer term, she aspires to train a younger horse to participate in the Brisbane Paralympics in 2032. This requires a trip to Australia for FEI para classification and then meet the qualifying standards at 2\* and 3\*Para events.

Natalie is well-supported by her family in her equestrian pursuits. Parents Chynel and Paul are her biggest supporters alongside her sister and grandparents.

Natalie is also a self-proclaimed “motorsport nut”. She is a big fan of the TV show “Drive to Survive” and wakes up at 2 am on weekends to watch F1 and Motor GP races.

2024 sees Natalie begin her first year at Auckland University where she will study a Bachelor of Science with a major in Computer Science.
