JUMPING YEAR IN REVIEW

FINANCIAL PERFORMANCE

2018/19

NOTE

The financial statements for ESNZ Jumping are draft and will remain that way until approved by the auditor. We have set out the reasons for any significant variances between the budgeted income/expenses and the actual draft results.

SEVEN YEAR ANNUAL RESULT 2013-2019

2013	2014	2015	2016	2017	2018	2019
- \$91,122.00	- \$68,404.00	\$1,341.00	\$55,639.00	\$53,047.00	\$55,559.00	\$10,160

OVERALL RESULT

- Total income from all sources was \$531,120. We budgeted to receive \$531,177.
- Total expenses for 2018-19 were \$520,960 which showed we saved \$42,554 on budgeted costs of \$563,514.
- The final draft year end result of **\$10,160** against a budgeted loss of **-\$32,337** is due to keeping costs down, and exceptional efforts from area committees and individuals in fund raising for WEG.

INCOME NOTES

- ▶ Income from levies and discipline starts was \$369,467, slightly down on budget however slightly increased on the previous year of \$366,689.
- ▶ Sponsorship at \$96,894 was down on budget by \$13,106, and reflects the difficulty in securing sponsors in a tight financial climate. Sponsors are also looking more and more to connect closely with riders through product and services which needs to be factored in to continuing our long term partnerships. This result is still an increase on the previous year of \$9,264.
- ▶ Grants are down on budgeted amounts although we did secure \$4,767 from Pub Charity for Series rugs, rosettes and trophies.
- ▶ Performance income was boosted by \$35,016, the result of fund raising for WEG by Area Groups and individuals, as well as donations received through *Give a Little*. A huge THANK YOU to everyone involved in fundraising activities, with a special mention of Jackie Jermyn, Kerry Willets, Jaime Tiller and Maurice Beatson.

BUDGET INCOME NOTES

- ▶ **Jumping annual starts and levies income** - maintained at similar level
- ▶ **Sponsorship and Grants** - maintained same target as past year, even though this was not achieved. We have begun sponsorship discussions earlier this year and are optimistic this result could be attainable. Grants have not been included in budget and will be a bonus if we can obtain some grant funding.
- ▶ **Term deposits** - continue to provide interest which is re-invested however the financial sector is signalling falling interest rates.
