4. Prizes to equal or greater value may be substituted for Prize Money in any class or championship
5. **Equal Placings:** (DR Art 446) In the case of equality in any (national) class at this event, the higher collective marks will determine the higher placing. If the competitors are still equal, then the higher co-efficient marks will determine the placings. If there is still an equality of points, the competitors are given the same placing.
6. **Equal Placings YDH Classes**  
In case of equality of percentage for the first three (3) places, the following system must be used to break the tie: add the marks for “submission” and “perspective” and divide by two; the Athlete/Horse combination with the higher average mark will be ranked highest.  
If still tied, the “submission” mark will decide. If still tied, the combinations will be equally placed.

#### 7. **Equal Placings CDI 3\*/Y (Ref FEI Rules)**

In the case of equality of percentage for the first three (3) places, the highest total median score of the Judges will decide the placing. The median score is the middle number.

To calculate the median of a set of scores, the scores need to be put in ascending numerical order. E.g. 68.5% - 69% - 70% - 70.5% - 71%; 70% is the median score in this case.

#### **Ties in Freestyle:**

In the case of equality of percentage in a Freestyle Test for the first three (3) places, the higher artistic marks will decide on the better placing. Should the artistic mark be the same, the higher mark for harmony will decide. If still tied the higher mark for choreography will decide.

8. **Presentation of Prizes:** Approximate presentation times will be advised in the rider notes and are subject to change at any time, please check at the event office for updates. The organising committee reserves the right to withhold prize monies or prizes/trophies should a place getter not attend an advertised prize giving.
