# Sponsor Announcer Notes 2025-2026 Season

## **ClipMyHorse FEI World Cup Series**

Equestrian Sports New Zealand (ESNZ) is delighted to welcome ClipMyHorse.TV to the ESNZ Sponsorship Family as an Official Media Partner.

This exciting new partnership marks a significant step forward in promoting and celebrating New Zealand equestrian sport on the world stage. Through this collaboration, a selection of New Zealand's premier equestrian events will be livestreamed on the ClipMyHorse.TV platform, allowing ESNZ members, fans, and equestrian enthusiasts both here and abroad to enjoy world-class coverage of kiwi riders and horses in action.

### About ClipMyHorse.TV

ClipMyHorse.TV is the world's leading equestrian streaming service, streaming equestrian sport and events across more than 200 countries. With thousands of live streams, interviews, and on-demand content, it connects riders, fans, and professionals in every corner of the globe.

"We are thrilled to partner with Equestrian Sports New Zealand to bring New Zealand's excitement and passion in equestrian sport to a global audience," says Markus Detering, CEO of ClipMyHorse.TV.

To celebrate this partnership, all ESNZ Members will receive an exclusive 20% discount on their ClipMyHorse.TV subscription, making it easier than ever to

stay connected with New Zealand's equestrian scene and access the best international equestrian content available.

### **The Brave Pants Company - Pro-Amateur Rider Series**

More than just a brand, we are a mindset, a way of being, and a community here to support and inspire your equine journey.

A conversation among equine friends sparked a need for BRAVE PANTS, which was then formalised in June 2021. God knows, we need some bravery in this epic sport!

Developed by sporting specialists, BRAVE PANTS apparel is designed to provide a rider beyond just the physicality of its product. Every component of this brand is here to support you mentally, socially, physically and emotionally. From our support group to our sport psychology, we want you to believe in your own story and step up out of your comfort zone, knowing you have a whole team behind you.

With material that is designed to provide optimal range of movement, durability to last and comfort beyond measure, we have designed this company to improve your overall performance and riding experience.

BRAVE PANTS wants you to feel both brave and fabulous. We want every visit to our shop to feel like you are exploring your most stylish equestrian friend's wardrobe!

### **New Zealand Warmblood Association -6-Year-Old Breeders Series**

The New Zealand Warmblood Association promotes the breeding, improvement, exhibition, and participation in competition of the Warmblood horse. Our objective is to ensure NZ Warmbloods are bred to produce:

- horses capable of International Representation in the Olympic disciplines of Dressage, Showjumping and Eventing
- a noble, correctly built Warmblood horse with good rideability, capable of superior performance in all disciplines
- a horse with natural impulsion and elastic movements
- a horse which because of its temperament, character, and willingness, is suited as an all-round riding horse on the basis of its natural ability.

The term "Warmblood" encompasses multiple middle weight breeds originating from Europe, particularly Germany. They include Oldenburg, Hanoverian, Selle Français, Dutch Warmblood (KWPN), Rheinlander , Holsteiner and Westfalian and the German Warmblood Pony.

### **Main-Events - Tertiary Challenge Series**

Main-Events.com is a long-term sponsor of the NZ Tertiary Jumping Challenge and this year has gone even bigger!

They are proud to launch the nationwide Main-Events 1.10m Series aimed at the grassroots riders who are keen to have a bit of fun but still have a real goal to work with. All shows in NZ are eligible and all horses and ponies are eligible.

A list of shows, registered equines and results are posted online at Main-Events.com for viewing at any time.

This show is registered for the series so that all 1.10m classes (not A1s) can collect placings. (Announcer should check if this is the case???)

As the premier online entry platform with a special interest in jumping, Main-Events prides themselves on being responsive to rider needs.

Innovate ... Improve ... and Impress. That is what Main-Events.com is all about.

### **Seahorse Supplements - Open Equitation**

Seahorse Supplements was established in 2015, where based in research conducted in Canterbury, Maxia Complete was formulated to unlock the powerful benefits of red marine algae for equine gastric health. We are dedicated to equine wellbeing and recognize the crucial role that health plays in a horse's overall happiness and longevity.

At Seahorse Supplements, we believe a healthy gut is the key to a healthy horse. From condition and performance to behaviour and overall wellbeing, everything begins on the inside. That's why our premium equine supplements are designed to support gut health first - balancing, protecting, and nourishing from within, so your horse can thrive on the outside.

Our horse supplements are scientifically backed. From our human-grade red marine algae to our encapsulated probiotics and organic minerals, we pack the

highest quality ingredients into products your horse will love.

We've kept things Kiwi since we opened our doors in 2015, offering our customers proven products they can use with confidence. From our printing and packaging to our marketing and customer support, we're New Zealand through and through.

### **LeaderBrand – Junior National Series**

LeaderBrand was established in 1975 by Murray McPhail. Today, we're one of New Zealand's most progressive horticultural businesses. We're still 100% family owned and operated, because we believe that when you put whānau first, the rest just comes naturally.

Our farms grow around 3,500ha of fresh produce for families in Aotearoa and markets around the world. While we're blessed with a world-class growing environment, it's our people that really make the difference. Rain, hail, or shine, we're out there making it happen.

Our mantra is 'straight up quality' that keeps 'em coming back for more. So we handle our crops with care at every stage, getting them fresh into stores daily. Our product range is continually changing and we put in the hard yards to innovate and do it better.

Our business isn't just about quality produce, it's also about safety and sustainability. That's why caring for the community, the environment and what we eat are at the heart of everything we do.

We aim to set the standard for others to follow.

## **Grains & Gains – Category B National Series**

At Grains and Gains, we are committed to offering top quality lucerne and unparalleled service at a competitive price. What started out as a hobby has become our passion, and we are proud to have created a group of happy customers.

Based on a 230 hectare property, both Cam and Jord were born and bred into agriculture, with a combined passion for producing quality, successful stock,

Sheep, Beef and Equine. We originally grew as much of our own produce for the products, right here on farm until the product outgrew the farm! Now we carefully select New Zealand's finest produce to be manufactured into our top quality products. At any time, either one of us can be found at the GGs manufacturing shed, getting stuck in!

To be the best, feed the best.

### **BOP & Waikato SH Groups – 12 & Under Equitation**

The BOP and Waikato Show Hunter Groups had a vision two years ago to introduce a Series for riders 12 and under to compete in equitation. The first year was such a success that last year it became a National Series and this year it is kindly sponsored by these two Show Hunter Groups. A special thank you is due to the BOP and Waikato Show Hunter Group committees who had this vision and have turned this into a successful national series for our younger

pony riders.
