### Important Information

---

1. The Show Dates Card will be the Official Jumping Series Calendar for Jumping and Show Hunter events for the season. It is approved by the ESNZ Jumping Board and will be published on the ESNZ website.
2. The show rating cannot be increased, or series competitions added unless it is amended by the ESNZ Jumping Board.
3. Last minute changes to the calendar will only be considered in exceptional circumstances. The ESNZ Jumping board reserves the right to decline changes.
4. Only one competition at each event will qualify for points in each Series, with exception of Show Hunter Series where 2 days of series classes can be run at the same event.
5. Any event holding series classes cannot be organised on the same day as another event holding series classes within 250km by road. Series events take precedence over other events.
6. Only one Premier event may be held on the same day in each island. A Premier show must run all series classes.
7. Each area may only run four days of Show Hunter Series Classes per season. Shows can apply to run two days of series classes at one show (this requires Horse AND Pony classes each day).
8. The show will be listed on the ESNZ Official Jumping Series Calendar.
9. The show is required to use ESNZ Officials and ESNZ Jumping Rules.
10. All information sheets for FEI Youth Jumping Competition, CSI 1\*, World Cup and World Jumping Challenge competitions are attached.
