

## **South Island Riders meeting 1/10/22 6pm Waimate Show Grounds**

39 Present.

Discussion was had on the Landrover Teams event.

Discussion on remits that went through at conference but of note, as will effect a lot of riders, I discussed the new 2 stops rule at 120cm and above for ponies and horses.

Reminder to thank sponsors and officials.

Event secretary of SCNO, Otago and Southland Rebecca Drummond kindly offered her time to answer questions riders may have.

Discussed new National Riders Rep Paxton Conder's new plans and how each area needed to nominate a rider from SJ and SH for bi-monthly meetings over Zoom.

In the spirit of 'Change the Rein' I asked who people noticed displaying good sportsmanship and helpfulness at the show that day, Steffi Whittaker was nominated and so she received a Change the Rein T-Shirt.

A question was raised by a rider over what do you do about a horse on the grounds causing a safety risk to other horses or riders, she was directed to talk to the shows Steward.

SI Riders Rep position up for re-election. Harriet Gardner was Nominated by Samantha Gillies, seconded by Johanna Wylaars. No other nominations received.
