

Sponsor Information for Jumping Shows 2019-2020 Season

Merco POLi Payments - World Cup and Premier League

POLi is a great payment alternative to credit and debit cards when purchasing online. It provides a quick, secure and fee-free payment option by connecting you to your bank.

POLi is the internet banking solution behind the equestrian entry platforms - Equestrian Entries, Main Events and Showday Online.

With over 1 million adult Kiwis not owning a credit card, POLi has grown over the past ten years to become the online internet banking solution for many major online retailers in NZ and Australia, including Air NZ, JetStar, Inter-Islander, The Warehouse, Spark, 2 Degrees, and Farmlands, to name a few.

By choosing to pay with POLi you pay no fees for your transaction. Banks place significant importance on online security. Security is the number one priority at POLi.

POLi integrates easily with a wide range of web and e-commerce platforms, shopping carts and retail solutions. As you place your show entries through an online service provider you can be at ease that the simple process is safe and secure.

Equissage - Horse Grand Prix Series

Equissage has a long history of producing therapy systems that stand out as the benchmark in equine therapy – and now the very best have just become smarter, lighter and more advanced than ever. The Equissage EDGE CVT Systems comprise of a range of medical grade therapy devices for horses, ponies & riders. Find the EDGE you have been looking for and try Equissage in a free demonstration – your horse will love you for it!

Country TV - Pony Grand Prix Series

Country TV is NZ's only dedicated rural and equestrian TV Channel, broadcasting on SKY channel 81. Now offers a subscription based live-streaming and Video On Demand platform, with over 500 hours of exciting content to view at your convenience. Country TV's Equestrian Performance on Tuesday Night is the ultimate resource for equestrians, airing show coverage alongside lifestyle programmes that highlight the love of horses and equestrian sports.

Country TV is an Exclusive partner of the FEI and our mission is to offer the very best of local and international equestrian content that covers competitions, behind-the-scenes, clinics and reality programs. From Showjumping, Eventing and Dressage through to Vaulting, Driving, Western and Leisure, we provide everything a horse lover or rider could want to watch. Every Tuesday Night from 7.30pm – 10.30pm.

FMG – Young Rider Series

At FMG, our team of passionate and experienced equine specialists know exactly what to look for when it comes to insuring your horse and your horse's gear.

We also ensure lifestyle blocks so we are talking to people daily about the many things that their standard house and contents policies don't cover. Whether it's your horse escaping and causing an accident, your tree falling onto your neighbour's property, or your bridge or culverts getting washed out by a storm, we offer the protection you need.

To speak to our equine and lifestyle specialists give us a call on 0800 366 466 or visit our website.

EQUIFIBRE – Junior Rider Series

EQUIFIBRE® is an extremely palatable and highly nutritious forage made from quality Lucerne.

For ease of handling the product is packed into convenient block size portions which makes removing it from the bag quick and easy. The product has no added molasses and is simply delicious ensiled Lucerne!

EQUIFIBRE® Lucerne-Pro's 24kg bags are available at all leading rural retailers nationwide and can also be supplied direct to farm.

Dunstan Horsefeeds - Amateur Rider Series

Dunstan Nutrition Ltd is a 100% New Zealand owned and operated Waikato based Company. The well-known and respected "Dunstan" brand has been providing quality feed to New Zealand horses for over 30 years.

Dunstan produces an extensive range of quality feeds and feed supplements to ensure optimum growth, development and performance. Dunstan also provides expert nutritional advice to ensure the ideal feed solution for all horses. All Dunstan feeds are manufactured in equine safe feed mills ensuring products of premium quality, safety and performance.

Harrison Lane - Pro-Amateur Rider Series

Harrison Lane build beautiful country homes, bespoke barns and equestrian facilities in the greater Auckland and Waikato regions. They are registered Master Builders who are passionate about their work.

At Harrison Lane, they enjoy turning their customers' lifestyle construction dreams into reality – managing the full process from initial concept through to the final finishing touches.

We specialize in the custom design, build and development of;

Equestrian Facilities, Arenas, Riding Tracks & Stables – with or without accommodation.

Bespoke Barns, Garages & Workshops

Country Homes

Their full project management service goes beyond traditional design & build, incorporating master site planning, colour co-ordination, landscaping and much more.

Matthews Hanoverians - 7-Year-Old Breeding Series

Matthews Hanoverians are becoming a force to be reckoned with in the jumping arena. Graffiti MH, Enya MH, Alacazam MH, and Roulette MH are demonstrating the benefits of a breeding program that is producing top class sport horses based on some of the best Hanoverian bloodlines. All of the mares are top quality imported and selected NZ mares, chosen for bloodlines and performance.

Matthews Hanoverians breeding programme incorporates quality bloodlines, top handling skills, and good nutrition, with lush New Zealand pastures an ideal nursery for young horses to grow up on. They breed around 8 foals a year, using imported frozen semen, using modern and successful stallions.

Matthew Hanoverians welcome your enquiry about the stallions they use, or young horses for sale.

Cheleken and Ultramox - 6-Year-Old Breeding Series

Ultramox is New Zealand's only 3 in 1 equine drench, making in the broadest spectrum equine wormer available. Ultramox is effective in the treatment and control of roundworms, tapeworms and bots in horses. Ultramox is safe to use in all classes and types of horses. This includes breeding mares and stallions, pregnant mares (at all stages of their pregnancy) and lactating mares. Safe for foals over 4 weeks of age. Take care in calibrating the dose for foals and smaller breeds.

Cheleken Equestrian is one of New Zealand's longest established Sport Horse Breeders with a focus on breeding, training and marketing top quality NZ Sporthorses.

Originally established in 1977 as a family business, Cheleken relocated to their North Waikato base at Mangatangi in 2006 and became Cheleken Equestrian, owned & operated in partnership by sisters Ana and Tors Rattray. Cheleken Equestrian focuses on breeding and producing modern sport horses with an emphasis on high quality horse care and correct education.

Cheleken's range of equestrian services offer clients the backing of over 40 years of experience and insight into working with competition horses and youngstock.

Ana and Tors take pride in doing the best job possible – whatever your Equestrian needs they strive to offer you a professional, hands on, horse friendly service.

For any enquiries regarding horse purchases and sales, rider or horse training or any Equine advice - please get in touch with Cheleken Equestrian via their FB page or contact Ana and Tors directly on 021929833

East Coast Performance Horses - 5-Year-Old Breeding Series

Owned and run by Craig, Jenny and Nicki Booth, East Coast Performance Horses is situated 50km east of Masterton in coastal Wairarapa.

Their aim is to breed quality performance horses to produce and sell into the New Zealand and overseas sport horse markets.

With excellent NZ and International mare bloodlines and using sires from across the globe, they have some exciting progeny set to grace our equestrian industry.

All young stock are well handled and ready for viewing.

Main-Events - University Challenge Series

Main-Events.com is a long-term sponsor of the NZ University Jumping Challenge. As the premier online entry platform with a special interest in jumping, they pride themselves on being responsive to rider needs.

Last year Main-Events launched the DISCOVERY package giving smaller shows free online entry.

This year Main-Events launched the popular BOOK-A-BLOCK for ordering stabling to make it easier for friends stay together.

And their latest innovation is a HORSES FOR SALE service with a \$ symbol after a horse name in all Main-Events class lists.

If you are selling, what a great way to show off your horse to a captive audience of riders at a show. And if buying, watch a horse in action from the side-line before you contact the owner - no travel required! Contacting vendor is through a secure email from the horse profile page on Main-Events.

It's totally free and the rider simply ticks FOR SALE under the Horse Profile on Main-Events which has results, photos, and other info about the horse/pony.

Innovate ... Improve ... and Impress. That is what Main-Events.com is all about.

Equibreed and VDL - Leading Stallion Series & Leading Mare Series

EquiBreed NZ Ltd offers excellence in Equine Reproduction from our purpose-built facilities in the Waikato.

We are a small team offering you a personalised and professional service in all aspects of equine reproduction. We will tailor a breeding programme to your needs and include natural service, artificial insemination, embryo transfer, sex-sorted semen, imports / exports and stallion services and world leading technologies in fertility treatments for problem mares and stallions.

VDL semen is available on a pregnancy fee basis from leading showjumping sires – Indoctro, Zirocco Blue, Grand Slam, Glasgow and more.

To find out more visit our website or talk to Dr Lee Morris, our Specialist in Veterinary Reproduction.

Email: lee@equibreed.co.nz

May your next foal be "Made at EquiBreed NZ!"

Show Hunter Sponsors 2019-2020

NRM – Open High Points Series

NRM has been feeding rural New Zealand for over 120 years. Offering a wide range of quality animal feeds to nourish large scale dairy farms to backyard chickens and everything in between, NRM is particularly passionate about equine nutrition.

The team of Nutrition Specialists, together with international nutrition partners Kentucky Equine Research, have the experience and expertise to maximise your horse's performance and wellbeing through every stage of its life. After more than a century of dedication, NRM is a trusted name in nutrition.

GYRO Plastics – Junior High Points Series

Gyro Plastics Ltd was started in 1968 in Wellington, producing products for the electrical industry and custom moulding for companies in NZ and Australia. Since 2000, Gyro Plastics have concentrated on servicing the electrical networks with a range of underground distribution pillars and cabinets. Custom moulding is still carried out as required by their customers. For more information on Gyro Plastics products please visit www.gyroplastics.com

The Ultimate Egg Co – Amateur Showhunter Series

As passionate second-generation farmers Nick and Katherine Bennik are proud to produce the SPCA Blue Tick approved premium eggs for you and your family to enjoy. Nick and Katherine were one of the first farms to be accredited with the SPCA Blue Tick for cage free barn and free-range production in New Zealand.

These eggs have been produced by happy hens that are free to express their natural freedoms.

They are able to nest, roam around, scratch, socialise and have continuous feed and water available in a safe and sheltered environment.

Cartown – Category A High Points

Cartown Palmerston North has been owned and operated by the current owners for more than 20 years. Jo, Steph, Glynn and Michelle have strived to develop a company with a reputation for delivering great cars, with great service by great people. Over the past two decades business operations have continued to evolve to produce the Cartown people know today. Cartown sell new brands including Haval and Foton, as well as used vehicles. Additionally, Cartown recently acquired a service centre, which is located right next door to the dealership, to take care of the servicing needs of the surrounding community.

Grassyards Farm – Category B High Points

Located on the picturesque Taieri Plains near Dunedin, Grassyards Farm is a family owned boutique breeding facility producing quality racing and sport horses.

We stand 3 stallions. Prince of Brooklyn (Magnus), Howard Be Thy Name (Redoute's Choice) and Bizzie Canoodling (NZ Sport pony & Grand Prix Show Jumper).

Aniwell – Category C High Points

Aniwell has been developing leading veterinary products in New Zealand for over 40 years. The Aniwell® range of skin, wound and sun protection products – FiltaBac®, FiltaClear® and Active Manuka Honey Vet (AMHVet®) are suitable for all types of animals. Providing antibacterial wound protection and total sun-blocking.

Use all year round to protect and assist with sun exposure, sweet-itch, mud-fever, other common skin conditions and for protecting cuts, bites, grazes and general wounds.

Suregrip Mats – Pony Equitation

SureGrip mats may be a new company to New Zealand, but it has been successfully running for 14 years in Australia. We have had an amazing response in New Zealand. Our cushion mat has been our largest seller, but rest assured we also have mats for tailgates, wash bays, tie areas, floats and trucks.

Mats are made from 50% reclaimed rubber and 50% of a high-quality new rubber compound. We back our product 100%, and if there's ever any issues we guarantee to make it right. We have sold mats from the top to the bottom of New Zealand, and we've had great feedback.

I'm always available for advice, a free quote, or I can call in to measure up any areas. Simply call Dean Malcolm on 027 641 4102. Or follow and message me on Facebook "SureGrip Mats NZ"

Burger King – Junior Equitation

Burger King proudly supports a wide range of sports as well as respected charities such as Canteen. Their support of professional level sport right down to smaller community events are just one-way Burger King can give back to the communities in which they operate.

Burger King restaurants are located throughout New Zealand and are a great place to celebrate after a day at the show with a varied menu to suit the whole family.

Petticoat Lane Performance Horses – Adult Equitation

Petticoat Lane Performance Horses is a small boutique stud owned and operated by veterinarian Hayley Shaw in North Otago. PLPH prides themselves on producing a small number of elite young stock each season representing Europe's best bloodlines including Clinton, Heartbreaker, Emerald, Escudo 1, Stakkato, and Quidam De Revel just to name a few.

All young stock are raised on a high country farm where they develop into well socialised, sensible, hardy, nimble, and athletic horses ready to excel. Viewing is by appointment.

This season Hayley has added the cremello stallion SP Blue Eyed Ghost to the mix. Ghost is her main competition mount but will also be available at stud. Ghost will stand in addition to her own home bred stallion PL Diamond in the Rough, out of her favourite Lansing mare by Starpower (Stakkato).

PLPH is very keen to support ESNZ Show Hunter. Hayley is a regular competitor in the show hunter ring and she believes show hunter is not only a great discipline in its own right, but its also the building blocks for creating well schooled young horses who will go on to excel in the show jumping ring. Hayley is excited to be able to offer a service of choice to one of her two stallions to the winner of the adult equitation series.
