Moving forward we would appreciate those of you that are interested to attend the camps unmounted ((or mounted) to sign the attached Event Waiver. We can then finalize numbers and organise timetables according to groups and numbers. The Waiver needs to be signed and returned **by 5pm Friday 16 June** to Georgia

Once the Waivers are returned, we will then notify applicants of the payment details. Payments will be required in the end of June 2023 for the North Island Camp and in July for the South Island Camp. There will be a short time frame window for payments to be received to ensure confirmed numbers are sufficient. This will be made via the EvoEvents online system and will be set up as an event. Each camp will be set up as a separate event. Riders must be current financial ESNZ members.

Please note that signing the waiver is step one of the commitments which ensures you are available for selection to the camp. Step two is payment in full. Once payment is made the following refund policy will apply.

We are really looking forward to this new initiative and have been working hard to pull the budgets and costs together. A draft timetable below will give you some idea of what is involved at each camp. We really hope that you will all get as much as possible from this.
