Directions:

From Te Puke/Rotorua take the Whakatane turn off at Paengaroa – when travelling parallel with the sea & railway line on your left (Matata straights) turn right onto PIKOWAI ROAD. Travel approx 6.5km, turn right onto AIRSTRIP ROAD. Go to the very end past houses & implement sheds & onto the airstrip. This is the base for the ride.

From Matata, Pikowai Road is 3rd turn on left & continue as above.

Sign posted from highway.

The course:

The track flows over rolling farmland, with long flat areas with good footing. There is a water crossing (you remember the one). There is a minimal amount of stony farm track and a section of young pines.

Biosecurity:

The landowner has specifically asked that vehicles and hooves be clean before you leave home to reduce the risk of any biosecurity issues.

Water:

There is good clean water on the base in one trough.

Please note, dogs are NOT permitted.
