From the south on SH1, about 22km north of Taihape and about 500m after Waiaruhe Road/Rangiwaia Junction sign LHS there is a passing lane going up a short hill. At the base of the hill and start of the passing lane, turn left into a driveway. Travel 2.5km down a metal track to ride base.

From the north, about 6.5km south of Waiouru, you will descend a small hill. **DO NOT** attempt to turn right into ride base. Go past and U turn at a rest area just south of the Wairaruhe Rd/Rangiwaia Junction sign and proceed to ride base.

When departing – **DO NOT** pull out of ride base and attempt to turn left to go north. It is too dangerous. Please head south and do a U-turn at a safe place.
