3. ESNZ Office Update (if any)

4. General Business

a. NI Champs report

Auckland SH ran in conjunction with Auckland SJ. Auckland SJ provided lots of man power, unfortunately the entries were small but overall ran a fairly successful SH part of the show.

b. Equitana Report

Unfortunately the SH part of the show was cancelled due to minimal entries (only 3).

c. Aniwell Month Prize (Maria)

Had very good feedback from Aniwell about the promotion.

d. Area Date Changes/Cancellations/Series Days

Please note the changes on the dates card

e. Local Sponsors on Series Classes

National sponsors must be listed first before the local sponsor on the schedule, programme and jump sheets.

f. Combing more with Jumping Shows (Claire)

Have more of a cross over between the two.

What is SH mission statement.

Promote the popular classes: Introductory and rising star.

Action: Executive to individually bring ideas for a Show Hunter mission statement.

g. Leader Boards

Can only be update once Head Office has received all files and results from the Shows.

h. Pony Height Certificates

HA has been checking ponies currently on the leader boards.

Action: MC and HA to check the HOYQ ponies for height certificates

i. Show Clashes

Shows were more abiding by the rules be more than 250km apart (Art 249 Jumping Rules), shows running on the same weekend with series and HOYQ classes is the unfortunate reality of running 107 carded shows over 35 weekends.

5. Project Updates (HOY, CD Seminars, ETC)

No update for CD seminars.

HOY ticking along nicely.

6. Finance

Been sent to executive.

Any queries to send to LM.
