

Welcome to the New Season!

New to HorseReg:

Riding someone else's horse and want to re-register them?

Subject to submitting a Lease Application through [HorseReg](#), you now have access to your leased horses through your own account, enabling you to re-register them and purchase discipline starts.

Want to remove horses from your account?

If the horse has been sold, you'll need to complete a Change of Ownership. Otherwise, email the [Memberships](#) Team with the names of the horses, and select one status from the list for each: breeding; not competing; deceased; exported; injured; retired.

Start of Season Reminders:

Renewals

Make sure to get your memberships, equine registrations, and discipline starts renewed for the new season. All ESNZ memberships and registrations are valid for 12 months from date of purchase. Upgrade to a higher membership or discipline level at any time. All purchasable through [HorseReg](#).

Starting out?

Our Introductory Membership is the riding membership for you! Compete across all disciplines at introductory level for just \$54.30 per year. See our new infographic for more information.

Rule Books

New season rule books are available to purchase from 1st August online through our [Rule Books](#) store. All rule books are available in both A4 or A5. Rules are also available as a free online PDF (also accessible through the [Rule Books](#) store).

Forms Updated

All registration and application forms have been updated and are available on our website at [Forms and Resources](#). Please ensure that you use these forms and not any previous versions that might be saved to your devices.

Approved Registrations

Check your horse's registration is 'Approved' before the start of season by logging into [HorseReg](#) and clicking on 'Horses'. Owners will be notified of any missing requirements. Failure to action these requirements may result in the suspension of the horse's registration rendering them unable to compete in ESNZ events until the registration requirements are met.

Height Certificates

Required for ponies competing in ESNZ pony classes. Please ensure new certificates taken after 31 July 2024 are emailed to the [Memberships](#) Team to be uploaded to your pony's profile. See the [Royal Agricultural Society](#) for more.

Busy Times Ahead

All membership/registration activations and change of ownerships/leases should be completed through your [HorseReg](#) account. Requests made via phone or email will be processed, but will be queued in the order they are received. If you need a hand using [HorseReg](#), check out our [HorseReg How to and FAQs](#) which includes step-by-step instructions and videos.

As always, for any queries or concerns, please send us an email or give us a call. We're always happy to help!
