## **Competiton Format**

As the name implies *Express Events* are designed so a rider completes an entire class in 45 mins or less (but allow 1 hour). Therefore you must go quickly from the DR to SJ to the XC. As an Express Event is for training purposes the SJ and XC course will be shorter and less technical.

1. Riders do the Dressage test in their Cross Country attire, **except** in the Dressage no whips allowed, only a snaffle bit is permitted and back protectors aren't worn. No plaiting.
2. Dressage test may be called for the 65cm & 80cm classes only.
3. After Dressage riders will **only have 10 minutes** before they start their Show Jumping round. This 10 minutes is to make any tack changes required, grab a whip and back protector and jump some practice fences.
4. Once riders have done their show jumping they **must head immediately over** to the start of the Cross Country. Back Protectors **must** be worn and should be put on before the Show Jumping.
5. Neither the Show Jumping nor the Cross Country will be timed.
6. Jump faults will be scored as per ESNZ Eventing rules. Cross Country : Riders **must** walk home if they have 3 stops at the same jump or 4 stops in total on the course. Fall of rider or horse = elimination. Rider must not continue and must report to the First Aid Station if not already seen by First Aider at at the time of their fall.
7. Riders must obey any instructions given to them by officials.
8. Spotters will be used instead of fence judges at each fence.
9. NO Protests – this is a fun event. If you have any issues please come and talk to us.

Dressage Tests are done in 20 x 40 arenas and can be found here : <https://www.nzequestrian.org.nz/wp-content/uploads/Eventing-Dressage-Autumn-2021-v6.0.pdf>
